

Every Bone

Mrs. J. Blackburn
In my body ached with the dreadful rheumatism which followed a severe cold. My sufferings were awful. I could not dress myself or comb my hair. My husband had to carry me up and down stairs. I was scarcely able to nurse my little one. Within two weeks after I began taking Hood's Sarsaparilla, I felt better. Shortly I was able to walk up and down stairs without help and finally I was cured. My friends thought I was going to be a cripple, but thanks to God for his blessing on Hood's Sarsaparilla, I now enjoy good health. Mrs. J. Blackburn, Lower Five Islands, Nova Scotia.

MONTREAL WON.
Plattsburg, N. Y., May 30.—The opening game in the Eastern International League series here today resulted as follows: Montreal 11, Plattsburg 6.

THE PASTIMES AND STARS play on the Wolsey Barracks diamond tomorrow afternoon. The Pastimes will comprise: Pinel, catcher; Wilson and O'Brien, pitchers; Wilson, first base; Hosie second base; Lee, shortstop; Carothers, third base; Begg, left field; Carroll, center; Leach, right.

THE WHEEL.
THE MARTIN ROAD RACE.
Buffalo, May 30.—The Martin road race—the cycling event of Western New York and Pennsylvania and a portion of Ontario—was run today over the old course, terminating at the Parade House. There were 222 entries. Forty thousand people saw the finish at the Parade House, lining the last mile and a half of the course. The day was ideal—a warm sun with a cooling breeze. The men started at 3 o'clock. The course was in superb condition, as the fast time proved.

The scratch men were Linneman, Stelmak, Goehler, Ruse, Leonard, L. A. Callahan, C. H. Callahan, of Buffalo; Hamilton, of Syracuse; Black, of Toronto; Wonda, and F. P. Radway, of London, Ont. Several of the scratch men were disabled before the 25 miles were run.

W. M. Peckham, of the Press Cycling Club, with 8 1-2 minutes start, finished first in 1 hour, 16 minutes and 27 seconds. He was just ahead of D. Horton, a one-armed rider of Oswego, N. Y., who led the way into the last mile by two lengths. Peckham beat him out on the short stretch of asphalt. Horton was a minute man. The third man in was H. F. Huehn, of the Press Cycling Club, a 6-minute man, whose time was 1:14:06.

The first scratch man was E. F. Leonard, who was the first man to cross the line, winning the time prize in 1:10:30, thus breaking the 25-mile American competition road race record by seven seconds. L. A. Callahan held the record, which he made in the same time last year. Goehler and Callahan were the next scratch men in, but neither made records.

The prize for the winner was a horse and buggy. One hundred prizes in all were distributed to the winners.

MOORE THAN 50 CYCLISTS HURT.
Chicago, May 30.—The biggest road race ever run will probably be awarded to Homer Fairmon, who finished third in today's event. J. M. Dworak crossed the line first, and E. V. Fry, of Milwaukee, was about 200 yards behind him. Cite to Fry came Fairmon, and Geo. Emerson was not far off. Neither Dworak nor Fry rode the full course, and they were disqualified. Fairmon, who had a handicap of 6 minutes and 45 seconds, made the distance, which is estimated to be 19 3-4 miles, in 64 minutes and 30 seconds. Last year's time was 57:10. J. B. Woolas holds the record, which it was predicted would be broken this year, of 53:40. More than 50 men were hurt in one way or another, and at least many failed to keep up pluck enough to go the entire 20 miles.

A. P. Peck's collar bone was broken. J. D. Skelton's back was severely strained. John Swartwood, a pedestrian, just after he had crossed the line, and several others had to be carried home in carriages.

RECORD SMASHED.
Newark, N. J., May 30.—The Irving-Milburn 25-mile road race was won by F. W. Richt, of the Brooklyn Bicycle Club, with a handicap allowance of two minutes, in 1:04:03. This beats the record made by A. H. Barnett, of the Crescent Wheelmen, in 1:11:08 last year.

PAST TANDUM TIME.
London, May 30.—In a tandem safety bicycle race against time yesterday to beat the road record Holman and Bates beat the record in 4 hours, 45 minutes and 45 seconds, and covered the 220 1-2 miles from Hitchin to Peterboro in 12 hours.

SPOKES.
At Millburn, N. J., 15,000 persons lined the course of the Irving-Milburn handicap road race Thursday morning.

London, May 30.—The race for the great Surrey Breeders' Foal Plate was won by Lord Rosebery's chestnut filly Arrian. Mr. Douglas Baird's bay colt Symington finished second, and Mr. A. W. Cox's chestnut filly Radiata was third.

DESPERATE THIEVES.

What Three Young Men Proved Themselves to Be.

County and City Residents Were Losers—Stole in Broad Daylight—Police Court Briefs.

Ever since they were nipped by the law at Kilworth on Saturday last, Geo. Howard, John Millick, and Albert Milton have hardly spent a day without being arraigned before magistrate or judge. By their own admissions they have proven themselves desperate thieves, and men who for the safety of the public are better behind prison bars.

They have not entered houses in the country only. They struck the city on the morning of May 24, and are the contents of the contents of three houses. Here is a list of the places the gang entered and the goods stolen:

1. Farmer Clapperton's Nissouri township—Alarm clock and some minor articles.

2. David Girvin's, Pottersburg—Gold watches, chains, bracelets, rings, brooches, lockets, and three suits of Mr. Girvin's Sunday-go-to-meeting clothes.

3. Mr. Lee's, Kilworth—Pair of trousers and other articles of clothing.

4. Henry St. George's, corner of Talbot and Bathurst street—Three pairs of trousers, one vest and \$1 in cash.

5. Mrs. Musgrove's, York street—Pair of trousers, valued at \$3.

Howard, Millick and Milton were in the police court this morning, and pleaded guilty to robbing St. George's place. Millick and Howard only were charged with stealing from Mrs. Musgrove's, while the confessed, Millick alone was accused of entering Mrs. McConnell's, 333 Colborne street, and taking two pairs of trousers, vest, skate wrench, \$3 in money, diamond pin, handkerchiefs, towels, etc.

"I don't know anything whatever about this case," said Millick, as he pleaded not guilty. "I remember all the other places."

The only articles found on the gang that were supposed to belong to Mrs. McConnell were a towel, three handkerchiefs and the skate wrench. These were positively identified by Mr. John Ford, head of the house.

"Your Honor," said Howard, with a very broad English accent, in defense of his pal, "I might say that the towel has been in our possession seven weeks."

Millick was found not guilty on the charge, and the trio were remanded for sentence. Before being removed to the jail, the crowd were "mugged" in two different positions by the photographer of the police department. Detective of the rogues' gallery. The prisoners are all under 25, Milton apparently being about 18.

THE ORDINARY BRIST.
John Turner, blacksmith, was in the cage, and he had a badly bloated appearance. He went into Marcel Heohn's store on Richmond street yesterday afternoon and told a tale of woe about his wife and three children being at the station and in a very destitute circumstances. They were west-bound, and Turner wanted assistance. Turner was so sincere that Heohn's treasury reduced, but he had Turner run in. John pleaded for leniency and got one month.

Joseph Barrett, Larn Jarvis and Adair Carlet, three little French boys, were charged with vagrancy. They were on their way to Chicago from Montreal, and were allowed to go.

George Showler, for driving a horse with very sore shoulders, was fined \$1. James Rowe, con. 13, Nissouri, would not have been in the city had he not been sent to his friend, Jack Gray, who was very liable to have his leg amputated. En route, however, James indulged and was arrested. His appeal for dismissal was futile—\$2 or ten days.

Stephen Corbett, vagrancy, was allowed to go; a Michigan Central clerk rode on a path in Victoria park, but was not fined; a man charged with law cases against Draymen Jones, Williams, Twitche and McKenzie were adjourned until Wednesday.

DISCIPLES OF CHRIST.
Annual Meeting of the Ontario Co-operation

In the Christian Church, East End—The Ontario Christian Women's Board Also in Eighth Annual Conference.

The annual meeting or conference of the Disciples of Christ in Ontario began yesterday afternoon in the Christian Church at the corner of Dundas and Elizabeth streets. The attendance at the opening meeting was small, but an influx of delegates is expected today. It is believed that there will be at least 150 Disciples present at today's sessions.

The conference will last until noon on Monday. Today and tomorrow will see the Disciples in session from 9 a.m. until after 9 p.m., as three meetings will be held each day. On Sunday there will be a sunrise prayer meeting, morning worship, the Lord's Supper at 3 p.m., and preaching service again at night. In event of the church being too small to seat the congregation and the delegates, permission has been obtained to hold services on Sunday in the agricultural hall at the fair grounds.

The body is called "The Co-operation of Disciples of Christ in Ontario," and the following comprise the existing board of managers: President, Hugh Black, Rockwood; vice-president, John Campbell, Erie Mills; St. Thomas; recording secretary, J. W. Kilgour, Guelph; corresponding secretary, T. L. Fowler, London; treasurer, John McKinnon, Everton; J. H. H. Jury, Bowmanville; Thomas W. only ad, Walker, St. Catharines; Rockwood; A. J. Thomson, Hillsburg; S. F. McKee, Erin; George Munro, Hamilton.

To the vice-president, Mr. John Campbell, St. Thomas, devolved the task of opening the meeting yesterday afternoon. The president, Mr. Hugh Black, of Rockwood, Ont., is absent under more than ordinarily sad circumstances. He is at Cook's Mills, Algoma, endeavoring to recover the body of his son, who taught school there, and who was drowned on Wednesday last.

The meeting opened with devotional exercises. Then the minutes of the last annual meeting were read and confirmed. After that several committees were appointed, and then the proceedings took the form of a social meeting, adjourning at 5 o'clock.

The church was well filled in the evening, when Rev. W. D. Cunningham, pastor of the Church of Christ, St. Thomas, preached. He based his remarks on the following verse from Isaiah, xl, 1: "Arise, shine, for thy night has come, and the glory of the Lord is upon them." And the verse from Ephesians, v, 14: "Wherefore he sayeth, Awake them that sleep and

arise from the dead, and Christ shall give thee light."

The preacher expressed his pleasure at meeting so many who worshipped Christ in the same manner as himself, and went on to dwell of the majesty of the sun and all the powers derivable from the sun's rays. Well might Jesus Christ, then, be called the Sun of Righteousness! As the earthly sun was the source of earthly life and light, so the Sun of Righteousness awoke to spiritual and eternal life those who slept. He urged his hearers to live high, noble, grand lives, such as the Master would have them live. How could they live idly and contemplate the destruction of souls and not be moved to save them? God set them as watchmen on the hills, and bade them to be thoroughly alive to the condition of their own and other souls. Christ died for all, and how could they slumber while others died? The sermon was an earnest appeal to all to awake from lethargy and make an effort to save sinners.

A liberal collection was taken up. Each contributing church is entitled to one delegate, and each Young People's Society to one delegate.

Rev. George Munro, Hamilton, editor of the Disciples of Christ, the organ of the Co-operation, is present at the meeting.

A correct list of delegates will not be obtainable until the enrollment committee prepares its report.

The eighth annual convention of the Ontario Christian Women's Board of Missions commences in the school room of the church at 9 o'clock this morning. W. B. Malcolm, 620 Church street, Toronto; corresponding secretary, Miss L. V. Riech, 225 Maria street, Hamilton; treasurer, Miss Jennie Fleming, Kill-syth.

Two papers, one by Mrs. Lhamon, on "Woman's Work in the Church," the other by Miss M. A. Sinclair, on "The Work of the O. C. W. B. M. and Its Possibilities," will be read during the convention.

ANOTHER RESOLUTION.
To the Editor:

The quarterly board of the Colborne Street Methodist Church at its last meeting put the following resolution:

"Whereas, the license commissioners of the city have seen fit to limit the hours of sale for licensed liquor establishments to 10 p.m., and whereas, the Ontario Government have decided that standard time shall regulate in all places, thus settling the technicality raised by the liquor dealers; and whereas, no good reason has been given for the extension of time one hour, as the said commissioners have seen fit to do; therefore, as a board, we desire to express our strong disapproval of the action of these officials, believing it to be contrary to the wish of the majority, as shown by the vote in this city and elsewhere, and contrary to the expressed promise of the Ontario Government to do all they can legally to hinder and not help this traffic in intoxicating drinks.
