The only sensible way is to get rid of them for good and all by a thoroughly rational, scien tific medicine like Dr. Pierce's Golden Medical Discovery.
It cures all disordered, debilitated condi-

Lung and throat affections, which are often simply the result of impaired nutrition, are reached and cured by this wonder-'Discovery" in cases where cod liver oil emulsions are useless, because the "Discovery" is readily assimilated by delicate stomachs. It is far superior to malt extracts, because its beneficial effects are permanent.
