SUPPOSE you do like the tea you are using, it is worth your while to try Red Rose Tea. It combines rich smoothness with delicious flavor and fragrant aroma in a way to awaken in you a new sense of the pleasure of tea. You owe it to yourself to try a package. Why not today? Your grocer will recommend it.

MADAME'S

BY PAULINE BEVERLY.

This was the precious story which I had listened to that morning, as Nat, bathed in tears and filled with contrition, had sobbed it out to me from a sheltering nest of sofa-cushions, winding up with the incoherent declaration in the sofa would never as long as she would never as long as that she would never as long as she lived dare to see Roger any more, and throwing out a final hint to the effect that she considered herself solely and entirely to blame for everything that entirely to blame for everything that occurred—the matter of mademoiselle and the diamonds included, presumand the diamonds included, presumyou any more. At present she is unbegone face at the blaze; and, judgand the diamonds meruded, product you any more. At present such ably—and that the sooner she either decided whether to end her days in

"And that was all?" he said, at last. "Just that," I assented. "And she could condemn me on the

gan to tell him. Yorke's face as

"Yes," I assented again. "But look and I'm getting tired of it."

Yorke belf-laughed. alone, you know. There was that olessed business with mademoiselle; and I went and corroborated that. You and I went and corroborated that. You and I went and corroborated that. The worst of it is she has taken a might have turned suspicious of her into her head to blame herself for

'I don't think so." "And then she's such a hot-headed little creature when she gets upset or but this absurd tea-cup storm—poor excited," I went on; "and upon my little thing!" word I don't believe that on the day when she was so mad as to go and engage herself to that unlucky Froude know. But say what I will, she has ered my voice involuntarily, as though the skeleton could overhear-"if you still have the fancy that she doesn't

RAILWAY EMPLOYEES WILL NEGOTIATE

Roads and Men to Try Peaceful Way in Wage Dispute.

Cleveland, Jan. 21.—Plans for negotiating with the railroad systems of the eastern part of the United States and Canada for a wage increase and uniform working conditions were formulated at the headquarters of the Brotherhood of Railroad Trainmen here, today.

President W. G. Lee, of the trainmen, said substantially all the railroads had been heard from, either formally or informally, with respect to the proposition submitted by the trainmen and order of railroad conductors. Late answers, received today, did

not change the complexion of the general situation. None granted any of the terms proposed by the employees, but each has expressed a willingness to negotiate a settlement. Prospects of a strike are considered It is expected by Mr. Lee that the
