Rumors of Plot to Dynamite Police

6trong Guard Is Now Watching Headquarters at Nanaimo.

[Canadian Press.]

Nanaimo, B. C., Aug. 20.-Rumors of a plot to blow Vipond's boarding house in Robson street, where a large number of the special police are quartered, have reached the officers of the militia.

A strong guard has been thrown around the place. It was asserted that a number of men held a secret meeting and agreed to dynamite the house last

Another story which is given considerable credence is that a quantify of arms and ammunition had been discovered in the city.

It was quickly extinguished. Within half an hour another fire was started in a distant part of the house, but had not made much headway. Later in the evening still another fire was found. It is hardly possible that these could all be accidental, and there is a strong feeling that some firebug is busy, as only ten days ago two other fires occurred in different parts of the town, which appeared to be anything but
