Will Observe St. George's Day By Attending Cronyn Memorial In Body.

The members of St. George's English Benevolent Society, meeting in St. George's Hall, Richmond street, completed arrangements for an annual gathering of Englishmen on St. George's Day. Owing to the war it was unani-mously decided not to hold the annual banquet this year, but to hold a monster church parade on Sunday, the 25th. Rev. R. W. Norwood has consented to conduct the services in the Memorial Church, corner of Queen's avenue and William street.

The various English societies will be asked to parade with flags and banners on Richmond street at the postoffice in the afternoon. An open invitation to every English man, woman and child in the city to attend is extended. Arrangements will be made with local florists to have on sale on Friday, St. George's Day, a plentiful supply of roses at reasonable rates, so as to enable everyone to wear the na nal emblem of Old England on this ccasion, it being felt by all that some pecial effort should be made this year acknowledgment of the great work

Rev. Canon Howett, of Hamilton, the speaker at a men's meeting in the Y. M. C. A. Auditorium on Sunday, sees in the war in Europe a gradual working out of Biblical prophecy. How the Israelitish experiences during the forty years of wandering in the wilderness en route to the land of Canaan were symbols of Christ and his salvation for man fromed the theme of in the old Mamertine prison at Rome, an able sermon delivered in St. George's Church Sunday morning by Rev. Canon Howett, of Hamilton. The speaker took for his text several verses from Numbers xx, and, after discussing the scene of the bringing forth of water from the rock by Moses at the command of God, Canon Howett emphasized several lessons which the event taught. Moses' act in striking the rock, and his words "Must we retch you water out of this rock," was an act petuous anger, which seemed a little thing. It was, however, the means of keeping Moses from attaining his cov eted desire of entering the promised land. Moses was the meekest man tha ever lived, but for this one act of disobedience God did not withhold punishment. This, the speaker stated, was an evidence of how carefully man must guard his life and actions. One pet sin for the man had little money in his may be enough to bar us from the kingdom of heaven. We must not become too satisfied with ourselves.

Considerable discussion was evoked, "altar" was to offer a sacrifice anew

Hamilton Conference, Presided. The new Sunday school of Wellington Street Methodist Church, said to be the handsomest in the province, was formally opened yesterday by Rev. H. W. Crews, D. D., president of the Hamilton conference. During the day, thousands of people inspected the new Sunday school, and the Wellington street congregation was heartily congratulated on having erected and equipped such a splendid building. Special services were observed throughout the day, and in the afternoon there was an especially large rally. Rev. H. W. Crews was assisted by the pastor, Rev. G. N. Hazen, and by Rev. H. A. Graham, of the Cen-

tennial Church, formerly pastor at Wellington Street. During the service the Sunday school orchestra provided a splendid program, and Supt. William Jeffery welcomed many visitors. It is the plan of the trustees to proceed at once with extensive improve-

ments to the church, and these and the new Sunday school mean an expenditure of over \$15,000. The morning service yesterday was taken by Rev. J. R. Gundy, of St. Thomas, a former pastor.
