plan.

It is the intention of the commission to ask for bids from labor agencies who will arrange with the Chinese government who will arrange for the exportation of the labor transport of the Chinese to the Isthmus under contract to work for a fixed wage, and ship them back to China.

Edmonton, Aug. 9.—The Edmonton clearing house returns for the week ending today amounted to \$726,954.30. This is the fourth week the clearing house has been in operation. Jamestown, N. Y., Aug. 10.—The federal grand fury for the western district of New York today reported indictments against the Standard Oil company of New York; the Pennsylvania Railroad and the Vacuum Oil Co, which has refineries at Olean N. Y. and Rochester. London, Aug. 10.—H. J. P. Good, of Toronto, writes the Standard urging the ex-ministry of the British govern-ment to visit Canada and the Canadian national exhibition which would afford a practical and pleasant education of the resources of the Dominion.

New oyrk, Aug. 10.—When an automobile owned and driven by Elliot Stewart ran into a mounted policeman who was attempting to arrest the driver for speeding in the Bronx early today, Mrs. T. W. Noble, wife of a traveling salesman of Baltimore, one of the occupants of the car, was thrown out and so seriof the car, which was the car, which was the car, was thrown out and so seriof the car, when the car, which was the car, which was the car, which was T. W. Noble, wife of a traveling sales man of Baltimore, one of the occupants of the car, was thrown out and so seriously injured that she died tonight in the hospital. Miss Margaret Johnson, of this city, who was one of the party, is still in the hospital seriously hurt. Mr. Stewart Elliott and the policeman, Harry E. Smith, were slightly injured.

He was taken ill while at work.

INCREASED DUTIES

St. Petersburg, Aug. 9.—Two unknown men today attacked Manniky, who was one of the peasant leaders in the outlawed parliament in a street at Terjioki, Finland, near where M. Herzenstein, the Constitutional Democrat leader was murdered. In response to his cries passersby hurried up and Manniky's assailants decamped.

It was announced from St. Petersburg June 30th that M. Manniky and Aladin, the peasant leaders in the outlawed parliament had received warnings from the "League for the salvation of Russia" of Odessa, that they had been sentenced to death. By Australian Government on Agricultural Implements and Machines.

Ottawa, Aug. 10.—(Special).—A cablegram received at the trades and commerce department from J. S. Larke agent at Sydney, states: "The Australian government has increased the duty on agricultural implements and machines to fifteen and twenty-five per cent."

Hitherto certain classes of implements have been free and others dutisble at 12 1-2 per cent. The increase will affect Canadian export of farm machinery.

FOR REPAIRS.

Edmonton, Alta., Aug. 9.—Henry Calaghan escaped from Alberta pentitentiary this morning about 8:30 o'clock. The prisoner was first missed by Deputy Warden Steadman, within fifteen minutes from the time he could have escaped. He had apparently divested himself of his prison garb and made off in only his prison underwear. Officials have no idea how he escaped, or whether he was aided in his attempt. The prisoner was serving a term of three years, having been convicted of theft in Calgary June 15th, last. Bark Curzon Will Be Towed to the Victoria Machinery Depot.

The bark Curzon, which arrived last Monday from Valparaiso with a charter to load lumber at Chemainus for the west coast of South America, (Arica range), and which was in collision with the schooner King Cyrus off Cape Flattery during heavy fog last Sunday, will be towed in to the Victoria Machinery Depot's way in the upper harbor this morning to undergo repairs. The Curzon was damaged about the bow, and lest her bowsprit and headgear, during the collision with the lumber laden schooner, bound outward for San Francisco. The King Cyrus was also damaged, but continued on her voyage to the Golden Gate. British ship Falls of Dee, which arrived some days ago from Manila, and which has been chartered to carry wheat from Tacoma for the United Kingdom or continental ports, may also have some repairs made.
