{ EDITORS AND

Vol. I.

TORONTO, FEBRUARY 1, 1849.

No. 2.

This number of the *Agriculturist*, and numbers 2 and 3, will be sent to all subscribers, who have paid for the year 1848, without further charge. The proprietors adopt this course, to make up the deficiency in the volume for the year just ended. The remaining 9 numbers of the volume for 1849 can be had for 3s. 9d., if paid before the 1st March next. Subscribers, who wish to discontinue, need not, therefore, return the paper, as it will not be sent beyond the third number, unless re-ordered and paid for. Three and nine pence being an inconvenient sum to remit by mail, those who intend to continue their patronage may leave the amount with their Post-Master, taking a receipt, who will, no doubt, undertake to remit to us, as soon as he gets a sum which he can enclose in a letter. Post-masters will get a copy of the *Agriculturist gratis*, as some compensation for their trouble; and we trust they all, without exception, will take an interest in promoting the success of our publication.

**TRAVELLING AGENTS.**—Mr. T. M. MUNN is our Travelling Agent for the Eastern section of the Province; Mr. PALMER, for the Northern; and we hope soon to announce one for the Western.

**LOCAL AGENTS.**—Any person may act as a local agent. We hope that all those who have heretofore acted as such, will continue their good offices, and that many others will give us their influence and assistance in the same way. Any person who will become a local agent may entitle himself to a copy by sending four subscriptions. Those sending twelve and upwards will be supplied at 3s. 9d. per copy.
