

club by 14 runs. Wanderers 50 and 67, Prescott 37 and 61.

LONDON-TORONTO.—The Asylum eleven of these cities played a close game on Trinity College ground here on Tuesday of last week, the Londoners winning by three runs, the score being London 23 and 61; Toronto 41 and 40. Pyne, Toronto, 14 and 18, and Clarke, of the same team, 11, were the only ones to make double figures.

TORONTO-PORT HOPE.—This match, which was played on the 18th and 14th, was not brought to a conclusion. Toronto made 174 and 184; Port Hope 147 and 25 with the loss of three wickets. For Toronto special batted for 25, Totten 50, Brock 38, Young 11 and 13, Sprague 49, Gamble 10 and 48, Shanley 13, Dehan 11 and 22, Ogden 20, and Barnes 10. On the Port Hope side, G. H. Hails 10, Summings 83, and Krichof for 21, were the only double figures.

WHITBY-CARLETON. On the 13th the Carletons visited Whitby, and, after a pleasant game, succumbed to the Whitby team by a score of 77 and 118, to 58 and 41.

THE SHOOTING SEASON.

Now the shooting season has about commenced, doubtless there are many who are looking after guns and shooting appliances. To such it would be money and time well invested to place themselves in communication with Mr J. L. Rawbone, 123 Yonge St., Toronto, the largest manufacturer and dealer in the Dominion. No difference what kind of a gun you may require, from the low priced but safe one, to the finest breech loader, a selection at moderate prices can be made in this establishment. The manufacturer of breech loading implements is made a specialty by this house, and the completeness of its assortment in this line is not surpassed by any house on the continent. In rifles and revolvers some astonishing low prices are quoted, and the variety is as varied as the tastes and means of the purchasers. It is a pleasure to draw attention to a house like this, whose spirit of fair dealing has become proverbial; and gentlemen favoring Mr. Rawbone with orders by post can rely upon the same care in selection as if individually present, no matter what the article may be that is required.
