

may be looking for New Homes or Profitable Investments. Arrangements are therefore being made to place copies on sale at the Railway Stations and with Booksellers throughout Great Britain. The Hand Book will also be on sale at all the principal points on the line of travel throughout Eastern Canada and the United States, a large number being placed in the principal hotels for the use of Guests.

It is the purpose of the publishers to issue the Hand Book monthly in order that it may contain the latest particulars about the Province, and in this way make it a standard and reliable medium of information regarding British Columbia.

The appended partial list of contents will give some idea of the scope of the work :
