**CHOLERA**  
**COMING!**

The countries where Cholera prevails as in India China and Africa, Pain-Killer is considered the surest and safest of all known remedies, and the natives place the most perfect reliance in it.

Read the following extract from the letter of a missionary in China.

DEAR SIRS.—I ought to have acknowledged long ago the box of Pain-Killer you had the goodness to send me last year. Its coming was most providential. I believe hundreds of lives were saved, under God, by it. The Cholera appeared here soon after we received it. We resorted at once to the PAIN-KILLER, using as directed for Cholera. A list was kept of all those to whom the Pain-Killer was given, and our native assistants assured us that eight out of every ten to whom it was prescribed, recovered.

Believe me, dear sirs, gratefully and faithfully yours.  
**J. M. JOHNSON,**  
Missionary to Swatow, China.

Beware of Counterfeits and Imitations. Ask for the genuine Peary Daws' Pain-Killer and take no other.

**LOURE FITS!**

When a man is afflicted with Loure Fits, it is a most dangerous and painful disease. I have made the disease of Loure Fits a specialty of a FALLING SICKNESS, a life long study, and I have found a cure for the worst cases. Because of my success in curing Loure Fits, I have received a Free Patent of my medicine from the Government of the United States, and I will cure you of Loure Fits, and I will cure you.

Address Dr. H. O. ROOT, 165 Pearl St., New York.

**CATARRH—A NEW TREATMENT**

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the DIXON treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent have been cured of this stubborn malady. This is none the less surprising when it is remembered that not five per cent of patients are remembered to themselves to the regular physician or are benefited, while the patent medicines and other advertised cures never record a cure at all. Nothing from the claim now generally believed by the most scientific men that the disease is due the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination, this accomplished, the Catarrh is practically cured, and the remedy is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure. The majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrh—Montreal Star.
