

Nervousness

HORSFORD'S ACID PHOSPHATE.

Prepared according to the directions of Prof. E. N. HORSFORD.

Many diseases, especially disorders of the nervous system, are attributed to a diminution of the phosphates, which are found in every fibre of the body. Horsford's Acid Phosphate supplies the phosphates, and relieves nervous exhaustion.

Dr. THEO. F. BRECK, Springfield, Mass., says :

"Very superior in diseases pertaining to the nervous system."

Dr. B. B. GROVER, Rushford, N. Y., says :

"Have prescribed it for nervous irritability, with marked results."

Dr. A. S. MAY, Forest, O., says :

"Very satisfactory in controlling nervousness in females."

Descriptive pamphlet free on application to

Rumford Chemical Works, Providence, R.I.
