

Lord Stratheona has sent a cheque for \$2,000 to be added to the fund now being raised by the lady graduates for the erection of a woman's residence in connection with Queen's University

Some time ago a charge was lodged against Dr. James Anderson, of Hamilton, by Dr. Hunt, of the same city. The case was tried recently before Mr. Justice Middleton. The jury acquitted Dr. Anderson, and Justice Middleton remarked that the action should never have been brought into court. Dr. Anderson's many friends will be pleased to learn of his vindication.

Dr. Harris Logan has been appointed medical officer of health for Niagara Falls. He vigorously enforced the vaccination order, and in other respects actively coped with the disease.

The Toronto City Clerk reported that the cost of printing the monthly reports of the Board of Health was \$232.75, while the cost of printing the bulletins was \$1,600 for last year.

Four Roman Catholic Benevolent Societies are beneficiaries under the will of the late Miss Catherine Brophy, of Toronto, who died on March 12. The House of Providence gets \$200, the Sunnyside Orphanage \$200, Sisters of the Precious Blood \$50, St. Vincent de Paul Society \$50.

The Toronto Board of Trade Saturday asked Mr. Justice Latchford to direct the disposal of a \$15,000 balance left out of the \$60,000 raised for the Northern Ontario relief fund. The money was raised after the big fire on July 12, 1911. It is suggested by the Board of Trade that \$5,000 be divided among the hospitals at Hollinger mines, Pottsville and Golden City, and that \$10,000 be given the hospital at Cochrane.

In the smallpox epidemic at Niagara Falls, the Provincial Board of Health took a firm stand and notified the council that if vaccination was not enforced, the city would at once be quarantined. As the result of this action the council and the local Board of Health arranged for general vaccination which was commenced on 5th April. The new medical health officer, Dr. Logan, showing a firm hand with all who objected, and stating that he would institute proceedings against them. Vaccination was unpopular, but soon became general.

Her Majesty, the Queen, will open the Queen Mary Hospital at Weston, Ontario, early in June, and to do this she will press a button in Buckingham Palace, which will throw open the doors of the \$100,000 hospital, erected by the National Sanitarium for children afflicted with tuberculosis.

Hon. Dr Roche has returned to Ottawa after his operation for gallstones at Rochester, Minn. He is reported as being now in excellent health.
