

## PARAGRAPHIC.

A tax was laid on the funerals in England in 1793.

For Toothache, Burns, Cuts and rheumatism, use Perry Davis' Pain Killer, see adv. in another column.

"How shall I keep ants out of the sugar bowl?" asks a correspondent. "Fill the sugar bowl with salt."

"When all other remedies fail for Bowel Complaint, Colic, Cramps, Dysentery, etc., then Dr. Fowler's Extract of Wild Strawberry comes to the rescue." Thus writes W. H. Crooker, druggist, Waterdown, and adds that "its sales are large and increasing."

The production of coal in Ohio, last year, amounted to 8,050,000 tons.

Do not attempt to remain over night without a bottle of Dr. Fowler's Extract of Wild Strawberry near at hand. This is the season for Bowel Complaints, Colic, Cholera, Morbus, etc., and the remedy above named is the unfailing specific.

Swimming among the Romans was considered an essential part of a lad's education.

**A CURE FOR CHOLERA MORBUS.**—A positive cure for this dangerous complaint, and for all acute or chronic forms of Bowel Complaint incident to Summer and Fall, is found in Dr. Fowler's Extract of Wild Strawberry; to be procured from any druggist.

In the reign of Queen Elizabeth, peas were brought from Holland as a luxury for the great.

It is now in season to warn our readers against the sudden attacks of Cholera, Cramp, Colic, and the various Bowel Complaints incident to the season of ripe fruit, vegetables, etc. Dr. Fowler's Extract of Wild Strawberry is the grand specific for those troubles.

The Count de Chambord, the head and hope of the Royalist forces in France, may recover.

**A VALUABLE DISCOVERY.**—One of the most valuable discoveries in medical science, for the benefit of mankind, was made when Burdock Blood Bitters were invented. This medicine positively cures all diseases of the Liver, Kidneys, Stomach, Skin and Blood. 25,000 bottles have been sold during the last three months.

Our Consul at Madrid has offered a reward of £1,000 for information respecting the fate of Mr. Graham.

There is no excuse for suffering from Headache, Constipation and all the wearying train of symptoms of a disordered liver, when Burdock Blood Bitters is an unfailing remedy, and only costs One Dollar a bottle. Why suffer on without a trial? 25,000 bottles sold during the last three months, with almost universal satisfaction.

The Town Council of Ravenna has decided to destroy the famous pine forest in order to make way for the cultivation of corn.

**A Fortune**

may be made by hard work, but can neither be made nor enjoyed without health. To those leading sedentary lives, Dr. R. V. Pierce's "Golden Medical Discovery" is a real friend. It stimulates the liver, purifies the blood, and is the best remedy for consumption, which is a scrofulous disease of the lungs. By all druggists.

# ENORMOUS SAVING TO SCHOOLS

## 7c. S. S. LIBRARIES.

Over three million sold already. The enormous expense of the Sunday-school Library is a thing of the past. \$2 to \$3 now buys a library which before cost \$40 to \$55. The largest and best of books at less than 7 cents each. First fifty-two reprints of the best books written. Selections from over 1,000 volumes—original prices varying from 80c. to \$2.15; the whole fifty-two books originally costing \$37.45, averaging \$1.10 each. Volumes from No. 52 to 101 written expressly for us, by the best Sunday-school writers. Above 104 partly new and partly reprints. In printing so cheaply we do not sacrifice durability or quality. In point of fact, our cheap books will outlast the expensive ones. Being wire-stitched, the leaves can not come out unless torn out. The limp covers preserve the books better than the heavy board covers of the ordinary books. Being flexible, they can be bent back, folded over, or even rolled, without injury, making them almost indestructible. Every book thoroughly sound and evangelic, but nothing sectarian or partisan. Each book numbered and containing descriptive catalogue of the whole.
