

The New York Observer tells of a man who wished to make a minister a little present on or before Thanksgiving, and inclosing twenty dollars in gold in a note, sent it to him as follows:—"Rev. and Dear Sir,—Having no turkeys to give you for Thanksgiving, I send you two eagles instead."

The inventor of Puttner's Emulsion makes no secret of the various articles which are combined in the preparation. It is only in the manner of combining the various substances that he professes to excel; that is the sole secret which he is not prepared to divulge. It may, however, be stated that the perfect Emulsion is obtained without the intervention of an alkali, and thus all chemical change is obviated. Vide Professor Lawson's Chemical Report.

C. E. PUTTNER, PH. M. HALIFAX, N. S. Sir,—I cannot express too highly the high esteem and great value I have formed of your Emulsion of Cod Liver Oil and Iron. As prescribed by my physician, Dr. T. L. Alden, and the great benefit and service it has rendered to our family in the home I have found that they can take it without any trouble, and does not in the least disagree with them; and with weak, delicate and anemic children who do not seem to thrive, your Emulsion has acted in a most remarkable manner in restoring the little ones to health and strength. In fact, our House cannot do without it. I can assure the experience of over four years, cheerful recovery and your Emulsion to be a most valuable medicine for children; and have found it superior to any I have used. Owing to the great demand for PUTTNER'S EMULSION, all Druggists and Dealers keep it. PRICE 50 CENTS. See you get Puttner's when you ask for it.

Havill's Lung Healer. This LUNG HEALER combines within itself the following valuable and requisite qualities: - First—Immediately induces a Irritation in the air vesicle and lungs, from whatever cause arising. It operates by dissolving the tough and rigid phlegm, and causing a free excretion. Second—In ASTHMA, this medicine acts like a specific, and it is impossible to describe the almost miraculous effect it has had on many persons afflicted with this complaint. Third—PULMONARY CONSUMPTION—To those who are suffering under this malady, this medicine will be found invaluable. It almost instantly relieves the most distressing Cough, Pain in the Chest, Difficulty in Breathing, &c., and communicates new energy to the oppressed pulmonary organs; so that they are enabled to throw off the morbid matter which oppresses them. Fourth—For the complaints of Infants and children, such as Whooping Cough, from cold, Whooping, &c., it is peculiarly adapted, being both agreeable to the palate, and perfectly safe when administered, and more effectual than any medicine at present known, in quickly giving soothing relief to the most aggravated cases. **TESTIMONIALS:** Mr. Havill: DEAR SIR,—It is with pleasure that I add my cordial testimony to your LUNG HEALER. I had a very bad cough and pain in my lungs. I procured a bottle of your LUNG HEALER and it gave me immediate relief, and in a few days the cough was completely gone. I feel I cannot say too much in favor of your valuable medicine, and so order it for several persons taking it through my recommendation, and in every instance with a favorable result. Yours most respectfully, (Signed) JOHN W. BLACKLEY, Cornwallis St., Halifax, N. S. **BROWN BROTHERS & CO., Agents.**

TO: HOLMAN PAD CO. 116 Hollis St., Halifax. GENTLEMAN, I suffered for many years from an impaired digestion; an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack the pain in the region of the heart would be terrific, causing me to become insensible in a moment. I tried many remedies, but without any permanent benefit; my last state would be invariably worse than the first; until I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my ears, but then I gradually began to grow better, in fact I realized in being able to lie up in my left side for quite a long time without inconvenience. It induced wearing the Pad, and were it truly in my time for two months longer, at the end of which time I ceased to be troubled with indigestion altogether, and became at region of heart are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little farther information from you on this point would have been desirable. Without troubling you with further details of my complaint and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedy from personal experience of the benefits derived from their use. And I consider that I cannot overrate their value to those similarly afflicted as I have been. Yours faithfully, G. O. PRESTON.
