"Public School Temperance."

The attention of teachers is respectfully called to this new work, designed for use in the Public Schools. It is placed on the programme of studies under the new regulations, and is authorized by the Minister. It will be used in three forms. The object of the book is to impart to our youth information concerning the properties and effects of alcohol, with a view to impressing them with the danger and the needlessness of its use.

The author of the work is the celebrated Dr. Richardson, of England; and, this book, though somewhat less bulky, being printed in smaller type, contains the whole of the matter of the English edition, slightly rearranged, as to some of the chapters, to suit the requirements of our Public School work. It is, however, but half the price of the English edition.

The subject is treated in a strictly scientific manner, the celebrated author, from whom there is no better authority on this subject, using the researches of a lifetime in setting forth the facts of which the book discourses. At the same time the style is exceedingly simple; the lessons are short and accompanied by appropriate questions, and the language is adapted to the comprehension of all who may be required to use the book. Price 25 cents, at all bookstores.

Scaled Tenders, addressed to the undersigned, and endorsed, "Tender for Carpentry, Joiner, and other Works, &c., of Parliament Buildings," will be received at this Department until twelve of the clock, noon, on Tuesday, the SEVENTEENTH DAY OF APRIL next, for the carpentry and joiner, roofing, slating, iron work in roof construction, etc., painting and glazing, labour and materials, and other works, etc., in connection therewith, required for new Parliament and Departmental Buildings.

Printed forms of tender can be obtained at this Department, and persons tendering are specially notified that they will not be entitled to have their tenders considered unless the same are made on and in compliance with these printed forms, signed with the actual signature of every person tendering (including each member of the firm), followed by his postoffice address, and with all blanks in the forms properly filled up.

Each tender must be accompanied by an accepted bank cheque, payable to the order of the Commissioner of Public Works for Ontario, for the sum of three thousand dollars, which will be forfeited if the party tendering declines or fails to enter into a contract based upon such tender, when called upon to do so. Where the party's tender is not accepted, the cheque will be returned.

For the due fulfilment of the contract, satisfactory security will be required on real estate, or by the deposit of money, public or municipal securities or bank stocks, to the amount of five per cent. on the bulk sum, to become payable under the contract, of which five per cent. the amount of the accepted cheque accompanying the tender will be considered a part.

To each tender must be attached the actual signature of at least two responsible and solvent persons, residents of Ontario, willing to become sureties for the carrying out of these conditions, and the due fulfilment and performance of the contract in all particulars.

Printed copies of the specifications can be obtained on application at the Department.

The Department will not be bound to accept the lowest or any tender.
