**ON 40 DAYS' TRIAL**

**THE GREAT SPIRAL TRUSS**

The Pad is different from all others. It closes firmly as if your extended hand was drawn together and one finger pointed in the centre. Rests on the hand, holds position day and night with the slightest pressure, and healed some ten broken legs. You will be allowed three exchanges during the 40 days. There is no duty to pay when received or returned, which many Canadians found more expensive than the truss. It is the easiest, most durable, and cheap Truss. Sent by mail. Send stamp for illustrated book. CHAS. OLIVIER, Surgical Mechanist, 124 King St. W., Toronto.
