VALUABLE INFORMATION

FOR

BANKS, BANKERS, MERCHANTS AND BUSINESS MEN GENERALLY.

During periods of business depression it becomes more than ever a matter of vital interest to business men to know in what manner they may increase the productiveness of their efforts, and make their vocation yield the largest possible returns.

The magnitude of the insurance interests of the country for the last few years has served to attach to its agency ranks first-class business men, who have discerned therein a field of operation profitable in its pursuit, not requiring a capital subject to the fluctuations and hazards of ordinary business, and devoid of the usual expenses and losses.

Although the Life Insurance Companies of the country disbursed to their patrons last year between sixty and seventy millions of dollars, and stand pledged now for two thousand millions of insurance, backed by a surplus, over and above every liability, of

some fifty millions of dollars, the business is still in its infancy.

The men laying the foundations of their business now, beginning when the conditions are all favorable and developing as the insurance interest grows in magnitude and value, are the ones who will reap a rich reward of success.

We have therefore to suggest to Fire Insurance Agents, desirous of utilizing their patrons in the direction of Life Insurance, either by engaging in the work personally, or by the employment of good subordinate agents; also to such successful Life Insurance Solicitors as may be contemplating a change of contract; or to Bankers, Merchants, and Business Men generally, seeking a new field of operations, either independently of, or in conjunction with, their present business, to consider the desirability of an agency connection with the
