

*Never were the
advances in me-
chanical aids to
Printing so rapid
and labor saving
as in the last
year or two.*

*This office being
fitted with a tho-
roughly modern
equipment, the
production of first
class work at
the hands of cap-
able workmen is
a matter of course
Ask for quota-
tions on any work.*

A. IRWIN,

Publisher

The P. E. I. Magazine.
