**THE SIEGE OF THE LEGATIONS.**

The *Living Age* will begin in its issue for November 17, and will continue for several successive numbers, a thrilling account of The Siege of the Legations, written by Dr. Morrison, the well-known correspondent of the *London Times* at Peking. This narrative is of absorbing interest in its descriptions of the daily life of the besieged legationers, and it is noteworthy also as containing some disclosures relating to the inside history of what went on at Peking in those stirring days, which are altogether new and of the utmost importance. The unusual length of Dr. Morrison's narrative has precluded and probably will preclude any other publication of it on this side of the Atlantic. In England it has attracted wide notice.

**OUR "BALL BEARING" SCHOOL DESKS**

Stand to-day Above Criticism—The Standard of the World.

They were the only desks selected by the Government for the Canadian Educational Exhibit at the Paris Exhibition. We have for the sixth time been awarded the contract for desks for the Toronto Public Schools, amounting this year to \$10,000.

During the last two years we sold over 28,000 of these desks, supplying in Canada about three fourths of all the desks required during that time.

These are noiseless desks, whose beauty and honesty of construction place them at once above criticism, and make them the desk above all desks. They have imitators, true, but no equals.

Awarded the Silver Medal, the highest award given on School Desks at the Paris Exposition.
