OBTENIR DES CONTRATS INTERNATIONAUX EN ÉDUCATION ET FORMATION

Le Ministère des Affaires étrangères et du Commerce international (MAECI) et l'Alberta Economic Development and Tourism (AEDT) ont coparrainé un atelier national intitulé "Obtenir des contrats internationaux en éducation et formation" qui a eu lieu à Canmore, en Alberta, du 4 au 6 décembre 1996. Le but de cet atelier était de permettre à des fournisseurs canadiens de services d'enseignement et de formation (E&F) internationaux de mieux connaître les possibilités d'exportation dans le secteur de l'E&F; de s'initier au processus d'appels d'offres pour les Institutions financières internationales (IFI); de participer à des exercices de simulation visant à développer une expérience pratique de la préparation d'une soumission "gagnante"; et d'élargir leurs réseaux de travail. Plus de 150 représentants d'organismes privés et publics de toutes les régions du Canada, des gouvernements fédéral et provinciaux et des IFI provenant du milieu de l'éducation internationale, de la formation et des transferts de technologie ont participé à cet atelier.
