PLEASE NOTE:

Companies in Canada communicating with trade commissioners abroad by telex should include on every telex:

- name of company;
- address;
- telex number (including regional code);
- answerback.

With the above information, replies coming through the External Affairs computerized system will be retransmitted by NOCAM without manual intervention.

This *Directory* lists all Canadian posts abroad with foreign trade and tourism responsibilities. The names of heads of posts have also been included, together with those of officers with immediate responsibility in the commercial, economic and tourism fields.

You should feel free to communicate directly with the commercial section at any mission. In addition, the head of post, as over-all manager of the mission, is ready to assist on matters you might prefer to bring to his attention. In such cases, you should get in touch directly.

Posts which do not have a resident trade officer are indicated with an asterisk and the location of the trade office for the area is given. Where appropriate, territorial cross-references are also provided.

While changes occur frequently, every effort has been made to keep the *Directory* as current as possible.
