Distr.
GENERAL

A/RES/48/70
6 January 1994

Forty-eighth session
Agenda item 66

RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

[on the report of the First Committee (A/48/671)]

48/70. Comprehensive test-ban treaty

The General Assembly,

Recalling that a comprehensive nuclear-test ban is one of the priority objectives of the international community in the field of disarmament and non-proliferation,

Convinced that the most effective way to achieve an end to nuclear testing is through the conclusion of a multilaterally and effectively verifiable comprehensive test-ban treaty that will attract the adherence of all States and will contribute to the prevention of the proliferation of nuclear weapons in all its aspects, to the process of nuclear disarmament and therefore to the enhancement of international peace and security,

Convinced also that the exercise of utmost restraint in respect of nuclear testing would be consistent with the objective of an international negotiation of a comprehensive test ban,

Noting the aspirations expressed by the parties to the 1963 Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water 1/ to seek to achieve the discontinuance of all test explosions of nuclear weapons for all time, which are recalled in the preamble to the 1968 Treaty on the Non-Proliferation of Nuclear Weapons, 2/

Welcoming the willingness of all nuclear-weapon States as well as the rest of the international community to pursue the multilateral negotiation of a comprehensive test-ban treaty,

Noting with satisfaction the initiation in 1993 by the Conference on Disarmament of work under item 1 of its agenda, entitled "Nuclear Test Ban" and the programme of substantive work subsequently undertaken within its Ad Hoc Committee on a Nuclear Test Ban,
