

Inquiries of the Ministry

published report that a magistrate in Tahsis, British Columbia, has threatened to place the entire membership of an Indian band on the interdicted list. In his capacity as Superintendent of Indian Affairs, if this action has taken place will he make the strongest possible representations to the Attorney General of British Columbia against this discrimination and infringement of individual rights?

Mr. Speaker: Order, please. The minister I am sure has noted the representation made by the hon. member for Comox-Alberni.

NATIONAL PARKS**SASKATCHEWAN—INQUIRY AS TO
SECOND PARK**

On the orders of the day:

Mr. R. R. Southam (Moose Mountain): Mr. Speaker, I should like to direct a question to the Minister of Northern Affairs and National Resources, prompted by the many urgent representations I have received from various persons in Saskatchewan.

Now that the first anniversary of his announcement of a second national park for Saskatchewan has rolled around, can the minister say where this park is to be located and when its development will commence?

Mr. Speaker: Order, please. That question should be placed on the order paper.

AGRICULTURE**INQUIRY AS TO REQUIREMENTS
FOR FARM WORKERS**

On the orders of the day:

Mr. H. A. Olson (Medicine Hat): Mr. Speaker, I should like to direct a question to the Minister of Agriculture arising out of a statement made yesterday by the Minister of Citizenship and Immigration. May I ask the minister if the government, or his department, has looked into the problem respecting agricultural workers, and is he satisfied that all requirements for these workers can be met by Canadians, other than in southwestern Ontario?

Hon. J. J. Greene (Minister of Agriculture): Mr. Speaker, my department is continually looking into this problem and discussing it with various provincial officials and other provincial authorities. If we do find that in other areas they require workers from outside Canada, and if these needs can be met by a supply of workers from outside Canada, we would be prepared to look into any individual problem at any time.

[Mr. Barnett.]

**REQUEST FOR CONSIDERATION OF
TRESPASSING PROBLEM**

On the orders of the day:

Mr. H. W. Herridge (Kootenay West): I wish to direct a question to the Minister of Agriculture. I know the question of trespassing comes under provincial jurisdiction, but I am asking this question at the request of some quite important organizations in this country. The point I raise has caused a great deal of trouble across Canada in the various provinces.

Would the minister place this question on the agenda of the next meeting of the dominion-provincial agricultural conference so it could be discussed with a view to finally evolving some formula to provide better relationships between farmers and hunters, who usually trespass?

Mr. Speaker: Order. The representations made by the hon. member have been noted by the minister, and if the hon. member thinks a reply to this question is required that could be obtained by putting the question on the order paper.

HOUSE OF COMMONS**REPORTED SPEECH BY MINISTER
WITHOUT PORTFOLIO**

On the orders of the day:

Hon. Marcel Lambert (Edmonton West): I should like to direct a question to the Prime Minister and ask him whether the contents of the speech by the Minister without Portfolio on April 20, as reported in yesterday's press, with regard to what goes on in parliament, the attitude of the members, their thinking and so on, represent the views of the government, as expressed by the minister?

Right Hon. L. B. Pearson (Prime Minister): Mr. Speaker, I noticed a report in the press about the speech in question. To me it sounded like a very interesting speech, and I have asked the hon. minister to give me a copy of it.

Mr. Diefenbaker: Would he table it so we could all see it?

TRADE**EFFECT OF POSSIBLE U.K. ENTRY INTO
COMMON MARKET**

On the orders of the day:

Mr. Maurice Allard (Sherbrooke): Mr. Speaker, I should like to direct a question to the Secretary of State for External Affairs, and my question is not dangerous.
