

*Business of the House*

In view of all this and in view of the circumstances and the authority to which I have referred, I cannot agree that there is a prima facie case of privilege here.

**BUSINESS OF THE HOUSE**

**Hon. Allan J. MacEachen (Minister of National Health and Welfare):** Mr. Speaker, I

intend to be very unprovocative. Because of the views expressed in the house yesterday as to the proposed debate on the constitutional conference, and in the light of further communications received today, I move:

That this house do now adjourn.

Motion agreed to and the house adjourned at 3.48 p.m.
