

The Greatest Investment Bargain in Canada

The new prices for Victory Bonds make them the greatest investment bargain in the history of Canada.

The present prosperity of the country as indicated by the splendid crops, increasing foreign trade, increased bank clearings, the unprecedented bank deposits, and numerous other factors, prove conclusively that Canadians are well able to keep up the record of 1918-1919 when they purchased \$1,200,000,000 of Victory Bonds.

The current supply is by no means unlimited. As compared with the total purchased by the public in the last two years it is infinitesimal. Immediate advantage should be taken of the present prices. If you have funds available buy to the limit. **VICTORY BONDS ARE CANADA'S ONE BEST SECURITY.**

We are excellently equipped to serve you and your orders will receive your best attention.
