Carlisle Indians Winners.

PROVIDENCE, R.I., Nov. 30.—The Carlisle Indians football eleven closed one of the most successful seasons in its history and brought to an end the football season in New England by defeating Brown University on mud-covered Andrews field to-day by the score of 12 to 6. It was the first time the two teams have met in fifteen years, and the first time Carlisle has left the field in victory.

The two teams made touch downs, Carlisle's counting on a 55-yard run by Welsh from midfield on a quick shift. Brown's was made by Ashbaugh after a blocked from midfield on a guick shift. Brown's was made by Ashbaugh after a blocked kick on the 30-yard line. Thorpe, the wonderful Indian half-back, whose kicking has been the feature of the football year, added six points to his record by two beautiful goals from the field.

All the scoring was done in the second period. The Indians showed the same versatile and aggressive attack that has marked their play thruout the year. Quick shifts, double passes, oriss-cross runs and plunges seldom failed to gain for them.
