Toronto Harbor Commissioners Held Meeting Yesterday and Plan Extensive Improvements Along the Water-Front-Docks Will Be Re-

The Toronto Harbor Commissioners, at their meeting yesterday afternoon, adopted the estimates of revenues and expenditures for the current year. The total estimated revenue for the year from all sources, including rentals from easehold property and harbor dues amounts to \$55,377,89. While the total estimated expenditures amount to \$54 .-

The expenditure during this first year is all in the nature of preparatory work in the-way of surveys, development plans and organization work generally. and it will be seen that the entire revenue of the commissioners will by needed to carry out the first year's work. The expenditures include necessary repairs to the wharves owned by commissioners and under lease to the Toronto Ferry Company and other

Repairs for Wharves. This includes extensive repairs to the Centre Island wharves, on which work the commission's engineering staff es-timate they have saved at least 25 per cent, by having the work done during the winter months while the ice was in

Large expenditures are also to be made on the Brock-st. dock, and other docks along the waterfront, while anocks along the waterfront, while another large item is an estimate of \$7000 for dredging in the harbor.

The tender of Mr. John E. Russell to do the dredging in the harbor for the year 1912, was accepted by the commissioners, it being the lowest tenden received. Mr. Russell's prices are 20 cents per cubic yard if the material dredged has to be carried eight miles. dredged has to be carried eight miles out into the lake, 16c per cubic yard if he can dump outside the three mile limit, 14c per cubic yard if he can deposit the material out of the harbor limits. These prices compare very fa-vorably with the prices paid last year of 22c, 24c and 32c per cubic yard.

An Imposter

The attention of the provincial police is directed to the actions of an individual signing himself J. A. Smith, who is in the neighborhood of Coleck, Ont., collecting subscriptions for publications—The Toronto World, among them. This party is a fraud, and he should be handed over to a conand he should be handed over to a con-stable by any one he attempts to col-lect money from. He uses a blank re-ceipt form bearing the imprint of an Elmira, N.Y., printer, and is evidently, one of those glib Yankee fakers that from time to time take a tour thru Canada gathering in dollars from people who are foolish enough to pay thein money over without making them pro-duce their bona fides. The Toronto World has resident agents in every town and village in the person of the postmaster or newsdealer, and intending subscribers should do business thru, them, and thus avoid the possibility of

BROCKVILLE LICENSES.

BROCKVILLE, April 16 .- (Special.) district met to-day and granted size hotel, two shop and one club license in Brockville; three hotels in the Town ship of Kitley, and one in the Town-ship of Elizabeth. is Prized by a Great Artist In testing a piano for use by an artist of the ability of Tetrazzini, tone production must measure up to the most exacting demands. A concert Grand piano of the old firm of Heinizman & Co., Ltd., 193-195-197 Yonge-st., was The hearing was not completed yes-terday and Travers will again be on Massey Hall last night, because she had used it before and knew just how per-fectly it meets her every requirement. This great artist does not hesitate to speak in warmest terms of the marvelous tone production of this Canadian-

made instrument. SOMERS SCHOOL BANQUET

The first annual banquet of the Somers School of Physical Training will be held in the banqueting room of the Canadian Foresters' Building, 22 College-st., on Thursday, April 18, at 7

Among those who will take part in the evening's entertainment are: Mrs. Prenter, Mrs. Jean Blewett, Mr. Jas. L. Hughes, Mr. E. S. Cassells and others. Former members of gymnas-ium classes especially invited.

"Organs to Burn" You might think so at the prices uoted by the olde firme of Heintz-nan & Co., Ltd., 193-195-197 Yonge-st., for a first-class organ. Pay 50 cents week and an organ will be placed in your home. Choice of about forty or-gans, all guaranteed in good condition. The selling prices run from \$15 to \$65, a mere fraction of manufacturer's

Tetrazzini's Personal Choice. At the great concert in Massey Hall last night, Tetrazzini, well styled the "Queen of Song," used a beautiful Concert Grand piano, the product of the old firm of Heintzman & Co. Ltd. A year ago when this great artist was here, it was a Heintzman & Co. piano that was used in Massey Hall. When concert was arranged for Montreal, her manager wired instructions that a Heintzman & Co. piano should be at, her disposal. It was the one choice of Tetrazzini for her concert last night.
