from the bill on delivery to the customer.

Mr. MacGregor and the inspectors appointed have given considerable time and attention to the affairs of this company absolutely without fee or recompense, in the interests of the thousands of depositors, who are scattered over the Township of York and the city, and by so doing have saved the depositors the amounts paid in and enabled them to secure the cordwood ordered.

A large number of orders were handed in during the meeting, and also a large number of claims were proved by depositors who had lost hope of realizing and so deferred proof of same.

It was further reported that over 150 cords have been delivered since Wednesday last, and all customers were satisfied with the wood, which is birch and maple of good quality, and cut in 12-inch lengths. A vote of thanks was accorded to
