Herbert Taylor, Fifteen Years Old Ran Away From Blantyre School 15-year-old boy, from the St. John's School, Blantyre, on Sunday, was evidently planned with a great deal of ingenuity and it is hinted with outside assistance. Taylor was committed to the school from Peterboro for three years. It was noticed that a few days

ago he was gelting restive, but noth ing was thought of it.
On Sunday afternoon he was allowed out in the playground with the rest of the boys. Sometime during the af-ternoon he slipped away, but his absence was not noticed until supper time. Then a search was instituted and it was found that he had made good his escape. His uniform was found in a barn a short distance down the Kingston-road. No other trace was found of the missing lad. He had not made any appearance in the vicinity of Peterboro up to late last night.
