EAST ELGIN ELECTION PROTEST.

Case Opened at St. Thomas Yester-
day—Was Lutton an Agent of
Mr. Brower?

St. Thomas, Ont., Nov. 28.—The East El-
gin election protest, in which Andrew
Brower is the respondent, was opened here
this afternoon before Justices Osler and
MacMahon. The counsel for Mr. Brower
comprised the following gentlemen: Wal-
lace Nesbitt, Toronto, and Mr. Miller of
Aylmer, and for Mr. McIntyre, the Liberal
candidate, Mr. Aylesworth, Toronto; Mr.
Stevens, Aylmer, and Mr. Grant of To-
ronto.

The bulk of the afternoon was taken up
by the examination of Mr. Miller, secre-
tary of the Liberal-Conservative Associa-
tion of East Elgin, and Mr. Elliott of
Yarmouth, who is chairman in Brower's
polling sub-division.

The first charge to be investigated was
that of No. 28. The petitioner claims that
Mr. William Lutton, an agent of respondent,
paid \$5 to William Follock, sr., to
refrain from voting. The evidence went
to show that the money was paid openly
by this time going to look for some
evidence in Middlesex County.

In connection with this charge another
charge was taken up, involving the pay-
ment of \$5 by William Lutton to William
Follock, jr., who was also a Reform. His
evidence, was paid to go and stay at Wil-
liam Lutton's place, where he got a couple
of meals and a night's lodging, and a
dish-washer on election day. He did not
vote. Those who were examined in con-
nection with this charge were W. A. Fol-
lock, sr. and W. A. Follock, jr., Mr. Oliver
Webster, Mr. Oles and then Mr.
Lutton himself. The main trouble in this
charge was to show that Lutton was an
agent of Mr. Brower's. At the close of
Lutton's evidence the court adjourned until
9 o'clock to-morrow morning, without
reaching any decision on this charge.

CONFERENCE AT WASHINGTON.

The Behring Sea Question Reaches
an Advanced Stage of
Deliberation.

Washington, Nov. 28.—The Behring Sea
question has reached such an advanced
stage in the deliberations of the Anglo-
American Commission that a special meet-
ing was held to-day to hear the report of
the committee which for the last ten
days has been examining Canadian and
American experts relative to the value of
the Canadian fleet of sealers engaged in
Behring Sea. The expert testimony has
enabled the committee to make consider-
able advance toward an adjustment, al-
though it was understood that there were
some points yet to be determined by the
commission. After two hours, devoted to
considering the report and the views of
the respective parties, was taken, and
the members of the Commission, ac-
companied by the ladies of the party, took
tea at Mount Vernon.

At the Pavilion.
A very good audience was present at the
Pavilion last night, the attraction being
"In a Persian Garden," a song cycle from
the works of Omar Khayyam, a Persian
poet, whose name has lately been upon the
lips of all literary and cultivated people
on account of the beautiful translation of
his poems by Edward Fitzgerald, an Anglo-
Irish poet. The affair was under the di-
rection of Miss M. J. W. Brown, who sang
the various passages; Messrs. Alex.
McIntyre, Mrs. Julie Wyman, Messrs. Alex.
McIntyre, H. M. Wright, Miss Kate Archer,
Miss Ada E. Hart and Mrs. H. Wright,
accompanist.

The attention of users is invited to the
merits of E. B. Eddy's indurated fibre ware
tubs, pails, etc., which are for sale at all
first-class grocery stores. Housekeepers
readily recognize their superiority over the
ordinary wooden tubs, etc.

A DEEP WATERWAY SCHEME

To Connect the Great Lakes With the
Atlantic Ocean

IS BROUGHT FORWARD.

An Effort Will Be Made to Have
Anglo-American Commission
Take Up the Project and Make a
Recommendation That the Two
Governments Do the Work.

Washington, Nov. 28.—An effort will be
made by persons interested in lake trans-
portation to have the Anglo-American Com-
mission take up the project for a canal
joining the Great Lakes and the Atlantic.
This project has been favorably reported
upon by a deep waterway commission
authorized by Congress and appointed by
the President. While this established the
practicability of the canal, the present
movement contemplates the devising by
the Anglo-American Commission of a plan
of joint action, by which work will actually
be begun. The paper route would be by
the way of the St. Lawrence River and
Lake Champlain, a cut of 29 miles being
sufficient, it is said, for that link in the
canal. Another cut of 24 miles would carry
the canal to the Hudson River, thus con-
necting the shipping of New York and Chil-
go by way of the Lakes, Welland Canal,
St. Lawrence River, Lake Champlain and
Hudson River. The projectors of this
movement say the cut from the St. Law-
rence to Lake Champlain can be made for
\$3,000,000 or \$4,000,000, as the topography
is most favorable for canal digging. They
are proceeding on the idea of having the
two Governments do the work, each doing
the construction on its own side, thus mak-
ing it a Government rather than a private
enterprise.

CAMERA "CHESTNUTS."

The Toronto Camera Club Enjoys
Slides "Roasted" Long Ago.

An innovation of a pleasing nature took
place at the Toronto Camera Club last
night, in the program of songs, sketches,
etc., rendered during the evening, at in-
tervals, by Mr. E. H. Walsh's photograph.
The evening was devoted to "chestnut"
lantern slides, as those made by members
in long-gone years are called. They grow
mellow with age, and the reminiscences
were for the most part of a pleasant
character. The evening's slide entertain-
ment began with a set of slides made by
the late honorary president of the club, the
late Mr. A. W. Croft. As befits one whose
memory is so dearly revered by the club,
they were received in profound silence.
These slides are now owned by the presi-
dent of the club, Dr. E. E. King, whose
chestnuts followed, and were received by
the members indiscriminately, only to give
the general witty phrasing an opportunity
to return the roast with interest. Fea-
tures brought out in many of Dr. King's
slides were his own features, and those of
members of the club, and their home cal-
culation in the days when they were col-
lours and lovely nature. "Hed we a
culinary" came in rapid succession, and
doublets slides made by G. R. Baker, E. H.
Walsh, J. G. Ramsay, J. J. Woodhouse, H.
Hampshire, W. H. H. Nelson, T. Lang-
ton, Q. C., and W. J. Watson. Special in-
terest was taken in Mr. Nelson's "Red
Nigger," the portrait of a well-known col-
ored man of this city, but whom, in Mr.
Nelson's youthful slide ambitions, he had
tinted red. The effect was startling, but
after one got used to it, not humorous.
The doubles of Mr. Langton were very wise,
especially that which depicted a man who
was a Government vessel. Hist from the navy
yard to Mount Vernon.

PERSONAL.
The many friends of Mr. F. W. Brown of
the Aquatic Hotel, who returned to town
last night, are recovering, though slowly,
from a severe attack of rheumatism, which
has confined him to his bed for the past
month.

James Douglas, the well-known proprietor
of the Aquatic Hotel, has returned to town
with stories galore of a successful six
weeks' outing with dog and gun.

The many friends of Mr. H. Stetzel of
Dovercourt are delighted to see him out
again after a three months' illness, and
after he had been given up by a number of
doctors.

Mr. William Beatty of Ruskyville, Ont.,
who has been in the city since Thanksgiving,
leaving his wife at home, returned home
yesterday.

A Pleasing Event.
Mr. Fred Warrington, who has recently
moved to Detroit, and is now in town for
a few days, was presented yesterday after-
noon with a handsome illuminated address
and a well-filled purse of gold from his
many friends in Toronto, who took this
opportunity of showing the appreciation
and high regard in which they held him.

Mr. James Hedley, on behalf of the Grati-
tude Club, also presented him with a purse
of money. Mr. Warrington replied in suit-
able terms, thanking those present for the
great honor they had done him. The pre-
sentation was made in the warehouses of
Messrs. Mason & Birch.

Two Mishaps.
Miss Florence Baker of 68 Amelia-street
went to the Emergency Hospital yester-
day, and had an injured finger dressed.
The wound was received while running a
machine in the Bryant Press, when a small
instrument perforated the digit.

Alex. Boyd, who lives at 101 Augusta-
avenue, and works at the Toronto Elec-
tric Light Company, had a bonnetless head
lighted with a hot iron, and his left
thumb taken off yesterday by a hand saw.
He was cared for at the Emergency Hos-
pital.

Fight in Beauharnois.
Valleyfield, Nov. 28.—(Special.)—
Arthur Plante, advocate of Montreal,
was chosen to-day to contest the County
of Beauharnois in the Conservative in-
terest at Quebec. Mr. J. G. Bergeron,
M.P., was also present and delivered a
powerful address on federal issues.

COUNTY AND SUBURBAN

Toronto Junction, Nov. 28.—(Special.)—Mr.
J. A. Perry, a former deputy-revee of this
town, but now a resident of Weston, met
with a severe accident to his hand at the
Cleveland bicycle factory to-day. His
apron caught in the belting and his hand
was drawn into the machinery, causing a
compound dislocation and severe laceration
of the middle finger.

Of the 707 appeals disposed of by Judge
Morgan at the Court of Revision of the
voters' lists, 625 were allowed and 172
either dismissed or were duplicates. Mr.
J. W. St. John succeeded in putting on
235 and striking off 90, a total of 324. Mr.
W. J. Hill, M. L. A., got 235 added and
had 88 struck off, a total of 201. Total Con-
servative gain, 42.

Annets-street Methodist Church, excellent
itself yesterday in the matter of voluntary
contributions to the church debt. The
trustees asked for \$500, but the amount taken
up amounted to over \$550, with promises
for about \$65 more. Of this the Ladies'
Aid contributed \$85 and the Sunday school
\$50. This improvement in finances is a good
indication of better times, as only \$255 was
collected last year when a similar appeal
was made.

There was a full attendance at the meet-
ing of the Board of Works to-night, but
the only business of importance done was
a motion instructing the street committee
to have the corporation snowplow com-
menced immediately upon the cessation of a
snowstorm, and to keep the streets clear of
the sidewalks before 9 o'clock in the morning.

Rev. Mr. McInnis of Elora occupied the
pulpit of Victoria Presbyterian Church yester-
day.

The annual commencement of the To-
ronto Junction High School will be held in
the auditorium of the school on Friday
evening next.

East Toronto.
East Toronto, Nov. 28.—(Special.)—The
sad and sudden death of Benjamin John
Torrance has thrown a cloud of sorrow over
this community. He left York station on
Sunday morning, the best of spirits, and
his body arrived at the same department
this morning, almost as soon as the sorrow-
ful news reached the home of his wife, who
was some time he had a half share in the
Pioneer House. Later he was connected
with Patterson Bros., but soon relinquish-
ed his position there to go on the road,
where, for six years, he has been a trusty
workman and a popular companion, being
one of the best of the members of the
Brotherhood of Truismen. He was also
enrolled with the Workmen and Mas-
ons. A widow and four children remain
homeless.

David Chapman, proprietor of the brick
yard, is in Highland Creek attending the
funeral of his brother, John Chapman, who
passed away on Sunday.
