**Try Making Your Own
Cough Remedy**

You can save about \$2. and have
a better remedy than the ready-
made kind. Easily done.

If you combined the curative prop-
erties of every known "ready-made"
cough remedy, you probably could not
get as much real curative power as
there is in this simple home-made
cough syrup, which is easily prepared
in a few minutes.

Get from any druggist 2½ ounces of
Pinex (50 cents worth), pour it into a
16-oz. bottle and fill the bottle with
syrup, using either plain granulated
sugar syrup, clarified molasses, honey,
or corn syrup, as desired. The result
is 16 ounces of really better cough
syrup than you could buy ready-made
and saves easily \$2. Tastes pleasant
and never spoils.

This Pinex and Syrup preparation
acts right at the cause of a cough and
gives almost immediate relief. It loos-
ens the phlegm, stops the nasty throat
tickles and heals the sore, irritated
membranes so gently and easily that
it is really astonishing.

A day's use will usually overcome
the ordinary cough and for bronchitis,
croup, hoarseness and bronchial asthma,
there is nothing better.

Pinex is a most valuable con-
centrated compound of genuine Norway
pine extract, and has been used for
generations to break up severe coughs.

To avoid disappointment, ask your
druggist for "2½ ounces of Pinex"
with full directions, and do not accept
anything else. Guaranteed to give ab-
solute satisfaction or money promptly
refunded. The Pinex Co., Toronto,

Brew your coffee, not boil it

WHY is it the coffee some people make
is always bitter? This is why. The
shell of the coffee bean contains valu-
able aromatic oils, also bitter substances.
When you boil your coffee you not only boil
out the oils, but the bitter substances as well.

When you brew coffee by simply pouring furiously
boiling water on it—then standing it in a hot place for
ten minutes, you get perfect coffee because only the oils
are extracted. You get most satisfaction when you use

DEWART ISSUES A WARNING TO THE LIEUT.-GOV.

**Liberals Will Not Countenance
Post-Mortem Appointments**

MORE TORY TRICKERY

**Unwise For Those Benefitting
to Build On Orders-in-
Council.**

TORONTO, Oct. 28.—H. Hartley
Dewart, K.C., Liberal leader in On-
tario, has issued a warning against
"any postmortem appointments being
made by his honor the lieutenant-
governor on the nomination of the
overriding Liberal Government."

Mr. Dewart refers to the statement
in the newspaper that Edward Bailey
had been appointed deputy attorney-
general, and Augustus Middleton
solicitor to the attorney-general, and
that these appointments had been made
some time ago.

In a statement issued tonight Mr.
Dewart said:

"It is a curious fact that neither the
Ontario Gazette of Saturday, October
18, preceding the U. F. O. puts up
with the election, contains any men-
tion of these appointments among the
those that this honor the lieutenant-
governor has been pleased to make."

Today we are told that the harmony
the former member for Carleton, has
been appointed registrar for that
county. Saturday's Gazette contains
no reference to the fact. Are these
appointments being dated back be-
cause of the exigencies of the mori-
bund Liberal Government?

Will Not Be Recognized.
"There is a vacancy in the registra-
ship in Middlesex, and there are other
vacant positions in the gift of the
crown. His honor the lieutenant-gov-
ernor will be well advised if he refuses
to make any appointments upon the
device of the discredited and defeated
minister of the crown. The ministers
themselves will be well advised if they
realize that appointments made since
October 20 will not be recognized or
countenanced by the Liberal party in
Ontario. I feel sure that the United
Farmers and Labor representatives
will join in the Liberal protest against
such a course."

"It is quite possible for a Govern-
ment to put through orders-in-council
during the period that elapses between
its defeat at the polls and the time
that the lieutenant-governor calls upon
someone else to form a government.
These orders-in-council can only be
passed if they have the sanction of
the lieutenant-governor. They should
and must be confined to matters that
are of absolute necessity, so far as
the ordinary conduct of the public busi-
ness of the province is concerned."

The Big Difficulty.
"The great difficulty is that under
our provincial system publicity is not
given to the orders-in-council that are
passed. These may relate to interests
involving hundreds of thousands of dol-
lars and the most important public
rights—yet the public may know nothing
with reference to them."

So far as the Liberal party is con-
cerned, it will insist upon a rigid
scrutiny of every order-in-council that
is passed and every appointment that is
made with the authority of the lieuten-
ant-governor since the 20th of Octo-
ber, 1919. It will not be wise for those
who may be benefited by such appoint-
ments upon such orders-in-council as a
foundation. This will also apply to the
timber permits which Mr. Ferguson
granted before the election."

Belgian King Delivers Speech in U. S. Senate And Receives Ovation

WASHINGTON, Oct. 28.—King
Albert of Belgium today was
given an ovation when he de-
livered a speech in the Senate
of the United States and later
in the House of Representatives.
For the first time in history the
crowned head of a monarchical
government was an honored
guest in the legislative halls of
the nation. Beside him stood the
duke of Brabant, his son, and
heir to the Belgian throne, while
Queen Elizabeth occupied a place
in the executive gallery.

Labor Ready To Support Leader U.F.O. Chooses

**The Name of the New Premier
Is To Be Announced
This Afternoon.**

TORONTO, Oct. 28.—Labor is on such
a good understanding with the United
Farmers, so far as the prospective
Government of the province of Ontario
is concerned, that the Labor representa-
tives in the Legislature will support
whatever leader the U. F. O. puts up
as premier. This is the effect of a
statement attributed to Mayor McBride
of Brantford, one of the Labor leaders
in the new Legislature after the U. F. O.
and L. F. committees had been in
caucus here today. Complete harmony
is said to exist between these two
parties, and it is understood that they
are devising a policy which will be
mutually satisfactory.

The work of preparing the program
for consideration tomorrow at the meet-
ing of the United Farmers of Ontario
members-elect occupied the committee
all day and part of tonight. No state-
ment was given out tonight except
that Secretary J. J. Morrison of the
U. F. O. intimated that probably the
name of the new premier would be
announced tomorrow afternoon. Mr.
Morrison also intimated that by to-
morrow night the policy of the U. F. O.
and Labor might possibly be ready to
be made public. Just when the policy
of the new ministry will be
developed on Wednesday, but an-
nouncement thereof is not expected so
soon.

Guesses as to who is to be the next
premier of Ontario still stand. No hint
was given by any of the farmers here
as to their choice.

FEIGNS LUNACY, WOMAN SLAYER MUM IN COURT

**Brantford Colored Man Re-
fuses To Answer Any
Questions.**

[Special To The Advertiser.]
BRANTFORD, Oct. 28.—Feigning
lunacy and refusing to answer any
questions directed by the magistrate,
George Jones, alleged colored slayer
of Mrs. Arthur Glynn, was today re-
mandered on the charge of murder. The
negro gave the jail authorities trouble
all night, and a close guard was kept
on his cell.

The coroner's jury under Dr. Fissette
this morning viewed the remains and
adjourned until Thursday night.

U. S. CABINET HAS A PLAN FOR DEALING WITH COAL STRIKE

**Stands As One Man For Pro-
tection of Public.**

PLAN NOT DISCLOSED

**Miners' Organization Grimly
Prepares For Momentous
Conference.**

WASHINGTON, Oct. 28.—How to
deal with the soft coal strike in the
event that the miners, ignoring
President Wilson's command to stay
on the job, walk out Friday night,
was definitely agreed upon today at
a two-hour meeting of the cabinet.
The plan of action was not dis-
closed, but it is known that the
cabinet stood as one man for pro-
tection of the rights of the public,
which would suffer with the clos-
ing of the mines in which ordi-
narily more than half a million mem-
bers of the United Mine Workers of
America are employed.

SITUATION UNCHANGED.
INDIANAPOLIS, Ind., Oct. 28.—With
no change in the situation, reported
at the United Mine Workers of Amer-
ica headquarters, leaders of the big orga-
nization of coalminers were preparing
for a momentous conference to-
morrow of its executive board,
district presidents and scale com-
mittee. John L. Lewis, acting presi-
dent of the organization, arrived late today
from his home in Springfield, Ill., but
had little to add to sentiment he has
already expressed concerning the gen-
eral strike planned to take effect in
bituminous mines November 1.

The same principle.
The condemnation of the proposed
walk-out by President Wilson and his
suggestion that a tribunal be appointed
to find a basis of settlement of the
disagreement between workers and
employers, with coal production con-
tinuing meanwhile, held no charms for
the union leaders. Echoing the point
made by William Green, secretary-
treasurer of the organization, Mr.
Lewis said that the national execu-
tive's idea that the need for war-time
production had passed because the
emergency had ended expressed exactly
the union's attitude toward its war-
time prohibition, according to the
president, said Mr. Lewis. "Neither
is there further use for the war-time
Washington wage agreement. We
therefore resent the imputation that
the strike is illegal."

The suggestion that work be con-
tinued pending appointment and report
of an investigating tribunal was de-
nounced by Mr. Lewis as a measure
of delay.

**BELGIAN MONARCHS NOT
ABLE TO VISIT CANADA**

OTTAWA, Oct. 28.—In the House
of Commons this afternoon, Sir George
Foster stated that the King and Queen
of Belgium has found themselves un-
able to accept the invitation of the
Canadian Government to visit Canada.
They regretted their inability very
much.

will be applied to one continuous sub-
scription, unless you otherwise direct.
If you are already a subscriber the

applied to extending the time you are

prizes. This second puzzle, if one should
be required, will be equally as attractive
and practical as the first. Under this
plan those who win will be assured of
receiving the full value of their prizes
without having to divide them with
other contestants. Should still further
ties ensue, a third problem of the same
order as the second will be submitted to
those again tied to solve. This plan will
be continued until all have been elimi-
nated except the actual prize-winners.
Should there be no ties on the first
puzzle, only the one, of course, will be
presented. In the event that a second
puzzle is required, one week will be
allowed in which to solve it. This will
prevent the contest being prolonged for
any unusual length of time.
