# Buy a Victory Bond

Put every dollar you have saved, and can save, and every dollar you can borrow, at work—at work saving lives and bringing our fighting men—sons, husbands, brothers, friends—home alive and victorious.

If you cannot fight it's your bounden duty—your very self-preservation demands that you lend your money to your country—

If your income is \$2,500 and upwards—do not buy a couple of bonds and sit back with a look of self-satisfaction. DOUBLE your first figure. You are not giving, you are lending—at good interest—on the best security in all Canada.
