CONSTIPATIONS

Read This—
It must be remembered that the
bowels should move freely once a day
to ensure perfect health. When this
is not the case the poisonous waste
material is absorbed into the system,
thus producing a bad blood poisoning.
The causes of Constipation are many
and may be mentioned as follows: In-
adequate food, a deficiency of bile in the
intestines, a lack of exercise, the nat-
ural muscular contraction of the intes-
tines, and a want of the natural
muscular contraction of the intes-
tines from above downward.

Abney's Efferescent Salt, sold
everywhere at 10c and 60c, stimulates
and restores the stomach and in-
creases the flow of bile into the
intestines, causes a flow from the in-
testines, a lack of exercise, the nat-
ural muscular contraction of the intes-
tines, and a want of the natural
muscular contraction of the intes-
tines from above downward.

WAS MISERABLE COULDN'T STAND

Testifies She Was Restored
to Health by Lydia E.
Pinkham's Vegetable
Compound.

Lackawanna, N. Y.—"After my first
child was born I felt very miserable and
could not stand on
my feet. My inter-
nal organs were so
troubled that I had
to try Lydia E. Pink-
ham's Vegetable
Compound and my
nerves became firm,
appetite good, sleep
easy, and I lost
that weak, tired
feeling. That was
six years ago and I
have had three fine
healthy children since. For female trou-
bles I always take Lydia E. Pinkham's
Vegetable Compound and it works like
a charm. I do all my own work."—Mrs.
A. F. KRAMER, 1574 Electric Avenue,
Lackawanna, N. Y.

The success of Lydia E. Pinkham's
Vegetable Compound, made from roots
and herbs, is unparalleled. It may be
used with perfect confidence by women
who suffer from displacements, inflam-
mation, ulceration, tumors, irregularities,
periodic pains, backache, bearing-down
feeling, flatulency, indigestion, dizziness,
or nervous prostration. Lydia E. Pink-
ham's Vegetable Compound is the stan-
dard remedy for female ills.

Women who suffer from these dis-
tressing ills peculiar to their sex should
be convinced of the ability of Lydia E.
Pinkham's Vegetable Compound to re-
store their health by the many genuine
and truthful testimonials we are con-
stantly publishing in the newspapers.

If you want special advice write to
Lydia E. Pinkham Medicine Co. (con-
fidential) Lynn, Mass. Your letter will
be opened, read and answered by a
woman and held in strict confidence.

It is always wise to boil a new
clothesline before using it, as this not
only prevents it from stretching but
makes it last much longer. New
clothes should be soaked in cold water for
a few hours, as this keeps them from
shrinking.

New brick floors should be washed
with soda water, and when dry rubbed
with paraffin.
