GIRLS TOOK CHARGE OF HOTEL BILTMORE

Debutantes Given Tips Up to \$75 and Newspapers Sold for \$1.

New York, Feb. 24 — A thousand debutantes and former debutantes took charge of the Hotel Biltmore on Monday and ran it on a most happy and expansive style for the benefit of the Society for the Prevention of Tuberculosis.

Society girls and matrons served as waitresses and room clerks and presided over cigar counters, news stands and tea

tables. Each volunteer was gowned in a white uniform with a dainty blue apron and headpiece.

Newspapers sold at a loddar and more and dinner tips ranged as high as \$75. Pretty girls posed as bellhops. The lobby was filled with "debs" selling all manner of articles.

Those who bought programmes found that there were so many things going on in the hotel it was almost impossible to see them all. One floor housed a circus, a bazaar was on the next, a tea-dansant further up and a bridge tournament still higher. The winner of the tournament was given a parterre box for a performance at the Metropolitan Opera House. A style show with popular "dappers" and "debs" as models attracted hundreds, with lorgnettes and without, and others went to the roof in the afternoon to see a comedy played by society girls.

Orchestras seemed to be all over the hotel and where there was music there was dancing. At dinner Broadway actors and show girls came in for a cabaret performance and others flocked over for the midnight frolic. This ended at 3 o'clock and then the business of running the hotel was given back to the regular employees.

OCCUPATION IS LONELY.

Bird Watcher Keeps Vigil on Island of Hermance.

London, Feb. 24 — Probably the loneliest occupation in Great Britain is that of Harry Edwards, who every spring goes out to an isolated hut on the island of Hermance, north of the Shetlands.

He is the watcher of the birds under the Royal Society for the Protection of Birds. For fifteen years he has filled the post for the society, staying in the hut, which faces the wild Atlantic, from spring until autumn, but altogether he has been keeping his annual vigil for 33 years. In his tiny chalet the watcher has done admirable work in preventing the destruction of bird-life by skin-hunters and egg-collectors.

Shredded Wheat

With HOT Milk

It brings the ruddy glow of health in Winter and fortifies you against the cold-germs that always get busy in a poorly nourished body. The man who "catches cold" is the man who doesn't know how to eat. Shredded Wheat is rich in tissue-building, heat-making elements — the ideal food for youngsters and grown-ups. Ready-to-serve.

Helen M. Boates, 18 years old, was stopped at the altar by a police inspector, was arrested on a charge of making a false statement in his application for a marriage license. Antcliffe, admitting that he was already married and had been separated from his wife several years, was sentenced to serve thirty days in the House of Correction.

His bride, prevented from marrying the man of her choice, rather than disappoint the wedding guests at her home, went through the wedding dinner and received the congratulations of her friends. Several hours later they learned that the wedding had not occurred.

MARY PICKFORD IN COURT.

Mrs. Wilkenning, Theatrical Agent, is Suing Her for \$108,000.

(New York Times)
Mary Pickford, accompanied by Douglas Fairbanks, appeared in the Federal court yesterday to defend the action brought against her by Mrs. Cora C. Wilkenning, a theatrical agent, to recover \$108,000 for services in arranging a contract with the Famous Players. This contract, it is alleged, netted Miss Pickford \$136,000. The suit was first tried in the Supreme court, where the agent won a verdict for the full amount. This verdict was set aside by the Appellate Division on the ground that it was not warranted by the evidence.

Counsel for Mrs. Wilkenning told the jury that Miss Pickford had asked her help to make a better contract with Adolph Zukor of the Famous Players, and that her efforts had resulted in an agreement by which Miss Pickford obtained a contract for 304 weeks at \$10,000 a week and an additional \$40,000 for reading manuscripts. This was in 1916. Counsel for Miss Pickford said they would prove that Mrs. Wilkenning had nothing to do with the contract. Mrs. Wilkenning testified as to what she had done, and will resume the stand. A large crowd followed the two movie stars to the street and saw them speed away in their car.

A pleasant evening was spent at the regular monthly meeting of the Knox church Young People's Association in the church schoolroom last evening with

Isrold Wetmore presiding. Bagpipe selections were given by Pipe Major Ross, and Miss Wittrean gave a splendid performance of the sword dance. An

enjoyable musical programme was given through the courtesy of the W. H. Thorne Co. Refreshments were served at the close.

Pimples Blackheads Boils

Fleischmann's fresh yeast

rids you of them

It is well known that pimples and blackheads (acne) and boils are often caused by errors of diet.

Fleischmann's Yeast is now being recommended for these embarrassing and painful skin troubles because fresh yeast corrects the errors of diet which cause them.

The surgeon of one important New York hospital states: "I have used yeast extensively and found it invaluable in curing boils." When 17 cases of pimples (acne) were treated with Fleischmann's Yeast at hospitals in New York and Philadelphia the results were remarkable. Typical of these was the case of a young man who had suffered with pimples for three years. He ate three cakes of Fleischmann's fresh yeast daily before meals. In five weeks the eruption had cleared completely.

Today physicians and hospitals are using Fleischmann's fresh yeast as the most efficacious remedy for pimples and boils.

If you are ever troubled with pimples or boils, begin at once to correct them by eating 2 to 3 cakes of Fleischmann's fresh yeast every day before or between meals.
