

SPECIAL SERVICES WERE SUCCESSFUL

Forty-seven Added to Membership of Coburg Street Church as Result of Efforts of Evangelist Cole.

Evangelist W. C. Cole concluded his very successful services in the Coburg street church last night. During the month in which he has conducted evangelistic services, forty-seven new members were received into the church. In the afternoon, yesterday, twenty-nine of the new members received copies of the new testament from the pastor, Rev. F. J. M. Appelman, and a large delegation from the Douglas Avenue Christian church attended the service. Mr. Cole spoke on "Christian Perseverance." The McKernan male quartette sang and the children's choir of thirty-five voices led the congregational singing with splendid effect. Mrs. Cole was the soloist.

The great closing evangelistic service was held in the evening when nine joined the church by confession of faith. Mr. Cole's subject in the evening was: "What will you do with Jesus, the Christ?" Mrs. Cole sang as a solo, "Only a Step to the Grave." H. McKernan, of the Douglas Avenue church, also sang a solo and little Evelyn Arthur sang "Rock of Ages," standing before a large cross which was brilliantly illuminated with electric lights. A delegation from the Silver Falls church

attended the evening meeting and the united congregations filled the church to the last seat.

Mr. and Mrs. Cole are returning to their home in Kansas and will leave many firm friends behind them in St. John.

Our Portrait is of Mrs. ROGERS, of 9, Liswell Street, North Station, London, England, who writes:—

"I broke out all over my body in large red blotches, which after a little while came into large sores. I went to two hospitals and to two or three doctors, but they became worse instead of better, so I tried your 'Clarke's Blood Mixture,' and am now quite cured. My feet were covered with the sores, but only scars can now be seen, so you will understand how grateful I am and why I bless the day that I tried it. You may make what you think fit of this, as it may bring relief to some other poor soul."

Sufferers from Bad Legs, Abscesses, Ulcers, Eczema, Boils, Pimples, Eruptions, Rheumatism, Itch, should realize that lesions and ailments can not give temporary relief—to be sure of complete and lasting benefit, the blood must be thoroughly cleansed of the impure waste matter, the true cause of such troubles. Clarke's Blood Mixture quickly attacks, overcomes, and expels the impurities, that is why so many remarkable recoveries stand to its credit. Pleasant to take, and free from injurious ingredients.

Of all Dealers—see that you get
Clarke's Blood Mixture

COULD NOT KEEP HOUSE

Without Lydia E. Pinkham's Vegetable Compound, Says Mrs. Pitts of Newburgh.

Newburgh, N. Y.—"My trouble was a weak back and I could not walk two blocks without being tired out. I read of Lydia E. Pinkham's Vegetable Compound in a newspaper and decided to give it a trial. Now I can do my own work and walk with ease. I always keep the Vegetable Compound in the house. It certainly is my best friend and I could not keep house without it. I have recommended it to many and always shall. You may use this letter if you wish."—Mrs. EDWARD PITTS, 2 High St., Newburgh, N. Y.

It has been said that "backache is an invention of the Evil One to try women's souls," but even so, it is more often a symptom of a female trouble which sooner or later declares itself. Day after day it drags a woman down and night after night prevents restful sleep. Such woman should follow Mrs. Pitt's advice and try Lydia E. Pinkham's Vegetable Compound. It contains no narcotic or harmful drugs.

MRS. REIFENSTEIN, AGED 67, GAINS 25 POUNDS

Declares She Would Like to Put a Bottle of Tanlac in the Hands of Every Sick Man, Woman and Child in This Country—Never Saw Its Equal.

"I am sixty-seven years of age, but in all my experience I have never known a medicine like Tanlac. Think of it! At my age to gain twenty-five pounds in weight, but that is just what I have done," said Mrs. Emma Reifenstein, of No. 337 Webster Avenue, Syracuse, N. Y. "If I had it in my power," she continued, "I would put a bottle of Tanlac in the home of every sick man, woman and child in this country, for I know what this wonderful medicine would do for them. For almost two years I was almost a nervous wreck. I did not dare to leave the house or even go up town unless my husband went with me. I was afraid to even cross the street and had a feeling of dread all of the time. "My stomach was weak and easily upset. For days at a time I would go without solid food. I could not rest at night to do any good and felt tired and worn out all of the time. Some days I could hardly drag myself across the room and was so weak and miserable I was ready to give up. "My health is fine now and I eat anything I want and never have a touch of indigestion. I have never slept better than I do now. My recovery is the talk of our neighborhood, as it was generally believed I could not last but a few weeks longer. This grand medicine has brought

me health and happiness and I just can't say enough in its praise." Mr. J. Reifenstein, in commenting on his wife's statement, said: "Yes, her recovery has been a happy surprise to us all. A few weeks ago I had no idea she would be able to pull through, but now she is in better health than I have ever seen her and the credit is due to Tanlac. We have been married fifty-two years to-day and I don't believe I have ever seen her looking any better."

PILES ARE GENERALLY CAUSED BY CONSTIPATION

There are few, if any, complaints more common than hemorrhoids, or piles, as they are commonly called, and scarcely any which cause more trouble, annoyance and misery. Ninety per cent. are troubled with them at some time or other, owing to allowing the bowels to become in a constipated condition. Piles are classed under three headings: Leitching, bleeding and protruding, and the excruciating pains which accompany them cause misery which is beyond description. Ointments and suppositories may help and relieve for a while, but to get rid of them, it is necessary to have a free, easy and natural motion of the bowels, at least once or twice a day, and by doing this the cause will be quickly removed.

Milburn's Laxa-Liver Pills regulate the flow of the bile to act properly on the liver and bowels, thus removing the constipation and all its allied troubles. They contain no calomel or drastic mineral ingredients, being purely vegetable. They are easy and easy to take, and do not grip, weaken or sicken. Milburn's Laxa-Liver Pills are 25c a vial at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

After The "Flu" MR. WICKWIRE IS EXONERATED

Four Children Had Whooping Cough

Whooping Cough, although specifically a disease of childhood, is by no means confined to that period, but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yet it causes more deaths than scarlet fever, typhoid or diphtheria, and is more common in female than male children. Whooping Cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and cough. Dr. Wood's Norway Pine Syrup is highly recommended by mothers everywhere for the relief of this trouble. It helps to clear the clogged-up air passages of the mucous and phlegm which has collected, and in this way brings the "whoop" which brings the so-called "relief" for relief and heal, and soothes the lungs.

Mrs. J. M. Rouse, Imperial (Saskatchewan) writes:—"After the 'flu,' last fall, four children took whooping cough, one of them developed bronchitis. I used two or three bottles of Dr. Wood's Norway Pine Syrup and they were completely cured. It is a really good remedy for children, and so nice they take it readily, and for more."

Dr. Wood's Norway Pine Syrup is available at all dealers. Only by The T. Milburn Co., Limited, Toronto, Ont.
