OUT OF THE UNDERWORLD!

Imagine the worst sharks that exist in New York's Chinatown—a daring crackman, a beautiful girl as tough and wicked as a snake, a faker who counterfeits any deformity, a dope-fiend as sly as a weasel.

Imagine such crooks in a little village, invading the lives of other human beings as good as these bad—the acid of sin striving to bite into the gold of pure hearts.

Imagine—
Imagine all you've known of good and bad in this world, and even then you can't imagine the wondrous appeal of "The Miracle Man."

The Screen's Most Talented Emotional Actress
FANNY WARD
In the Timely and Vital Story
"The Profiteers"
AN AFTER-THE-WAR DRAMA IN FIVE THRILLING ACTS
"THE PUBLIC BE FLEECE" was the motto of the profiteers who took advantage of America's pre-occupation with a war. They "cornered" the food markets; stole, plundered and pilfered; bought immunity when possible; fought with under-handed, back-door, reptilian methods and aids when "graft" failed; "framed up" innocent women in order to "get back at" their husbands; greedily, selfishly and criminally swelled their bank accounts at the expense of patriotic Americans.
"The Profiteers" exposes the whole "bag of tricks" in a vastly entertaining and thrilling manner, and gives Miss Fannie Ward opportunity for display of her most intense emotional histrionic gifts.
