## ENDS STOMACH TROUBLE AND INDIGESTION

No Heartburn, Gas, Headache or Other Stomach Misery Five Minutes Later

Take your sour, out-of-order stomach—maybe you call it indigestion, Dr. Ross, Gastritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 30-cent box of **Dr. Ross' Stomach Cure** and let you eat the 22-grain Triamule and see if within five minutes there is left any trace of your trouble.

The correct name for your trouble is Food Fermentation, the result of the digestive organs being weak and the lack of gastric juice. Food is not half digested, and you become affected with loss of appetite, pressure, fullness, after eating, vomiting, nausea, heartburn, griping in bowels, tenderness, a bit of stomach, bad taste in mouth, indigestion, pain in limbs, sleeplessness, swelling of gas, bloating, sick headache, nervousness, dizziness or many other distressing symptoms.

If your appetite is feeble and nothing tempts you, or you belch gas, or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself in five minutes that your stomach is as good as any; that there is nothing really wrong. Stop that fermentation and begin eating what you want without fear of discomfort or misery. Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapheim.

## RECENT DEATHS

Sincere regret will be the feeling with which the announcement of the death of Thomas Denham, one of the city's best known commercial travelers, who passed away at his residence, 186 St. James street, yesterday after an illness of four weeks, will be received. Paralysis of the brain developed and death came last evening. Mr. Denham was 61 years of age and his whole life had been spent in connection with mercantile pursuits in this city. He was associated in his early years with Manchester Robertson Allison, Ltd., and after leaving that firm for ten years was with Daniel & Boyd, remaining with that successor, The London House, wholesale, for an equal period. During the past three years he has been associated with Scott Bros., Ltd., throughout the maritime provinces he enjoyed the acquaintance of many friends who will hear of his death with the deepest feelings of regret.

Mr. Denham was a lifelong member of the German street Baptist church and had always taken an interest in its various activities. For a number of years he held the office of church clerk and more recently as church historian it fell to him to compile a history of the church during its first hundred years. This sketch was issued in book form last fall, following the centennial exercises of the church.

Mr. Denham is survived by his wife, who was Miss Henrietta Taylor, of Moncton, one son, William T., principal of the Grammar school at Richibucto, and one daughter, Miss Muriel, at home. One sister, Mrs. L. Chandler, of Colapuz, British Columbia, also survives, and was with her brother for a short time in May last, after an absence of thirty-five years.

The funeral will take place tomorrow afternoon at 2:30 o'clock from the residence, with service at the German street Baptist church at 3 o'clock.

The death of Mrs. Edward Waddell took place at the home of her daughter, Mrs. Edwin Saunders, Perry's Point, Kings county, October 2, aged 82 years. She was a great sufferer with heart trouble and bore her suffering without a murmur. She was the daughter of the late James Legue, of Wickham, Queens county. She leaves two daughters and three sons and six brothers, also eight grandchildren and a large circle of friends to mourn their sad loss. Mrs. Waddell was good to every one and was ever ready to lend a hand and helping hand to those who were ill and needy. She was laid to rest at Hammond River cemetery, near the body of her husband, who died six years ago. The services were conducted by Rev. Mr. Lawrence.

The death of John Lorton occurred in the General Public Hospital yesterday afternoon. He was a native of Woodstock. Notice of his death was sent to Michael Curran of Grand Falls with whom he was employed.

## REFINERY MATTER LIKELY BEFORE ALDERMEN AT THE MEETING TODAY

The proposed to secure the transfer of the Durant sugar refinery site to the city for the use of some other industry and to secure power to exportable objectionable poles on the city streets, which were made by the mayor at the last meeting of the common council, will probably receive attention at the special meeting which is to be held this afternoon.

A man doesn't have to know much to know how little he knows.

## HON. MR. HAZEN MINISTER OF MARINE IS ANNOUNCEMENT MADE IN OTTAWA LAST NIGHT

The Standard today announces the Borden cabinet as follows:—

Premier and President of the Council—R. L. Borden.

Minister of Agriculture—Martin Burrell.

Minister of Customs—Dr. J. D. Reid.

Minister of Finance—W. T. White.

Minister of Inland Revenue—W. B. Nantel.

Minister of the Interior—Hon. Robert Rogers.

Minister of Justice—Hon. C. J. Doherty.

Minister of Labour—T. W. Crothers.

Minister of Marine and Fisheries—Hon. J. D. Hazen.

Minister of Militia—Col. Sam Hughes.

Postmaster General—L. P. Pelletier.

Minister of Public Works—F. D. Monk.

Minister of Railways—Hon. Frank Cochrane.

Secretary of State—Dr. J. W. Roche.

Minister of Trade and Commerce—Hon. Geo. E. Foster.

Without Portfolio—Geo. H. Perley, A. E. Kemp, Senator J. H. Loughheed.

It says that a seat in the cabinet was offered to Rodolphe Forget of Montreal, but that he declined it for the time being as the granting of the certificate to La Banque Internationale, in which he has a large interest, will come immediately under the consideration of the government.

The Telegraph says under Ottawa date of yesterday:—

The changes from previous forecasts/are the taking in of Col. Hughes and Dr. J. D. Reid from Ontario instead of Andrew Borden and Mr. Minto.

Mr. Borden found that he could not overlook the colonel's undoubted qualifications for the post. No other among the various candidates had any military experience, and Col. Hughes long parliamentary experience and record of successful business management.

The Quebec representation was finally decided tonight, only after a series of separate conferences of rival and contending factions with Mr. Borden, extending all the way from the morning to the evening.

The Nationalist element of Mr. Borden's support all along been demanding their pound of flesh. They wanted both Mr. Monk and Mr. Nantel in the cabinet and Hon. Mr. Pelletier chosen instead of Mr. Roche's candidate, Hon. T. Chase Crothers.

Now, there was a demand that Mr. Monk be given the portfolio of public works, instead of a portfolio of lesser political influence and importance. Whether or not this was granted by Mr. Borden is still unknown, but it is significant that Mr. Forget left for Montreal this afternoon in evident ill humor.

In an endeavor to finally satisfy the Nationalists and preserve their support it is understood that Mr. Borden has agreed to give the solicitor-generalship to Mr. Nantel instead of to A. A. MacLean, of Prince Edward Island, as was his original intention.

The events of the day have certainly not tended to enhance Mr. Borden's reputation as a strong leader who would rule with a firm hand and put national considerations above considerations of mere party expediency.

## A USELESS EXISTENCE ENDED

After a Life of Tireless Destruction and Devastation the Dandruff Germ Finally Succumbs

The dandruff germ is a busy little insect constantly at work and always doing the same thing. Apparently with boundless intelligence it burrows down into the hair follicles, destroys the hair life and finally crowds out the hair, causing baldness.

There are two sure ways of stopping the harmful career of this invisible microbe growth. One is to wait until the germ has crowded out the hair and then use Newbro's Herpicide.

While many imitations and substitutes are offered for Newbro's Herpicide there is nothing "just like Newbro's" just as good.

Get genuine Herpicide.

## MR. BORDEN AND THE ROYAL GAME

Ottawa Paper Would Have Settled Scramble for Cabinet Positions on the Golf Links

(Ottawa Free Press)

Time will show what qualifications Mr. Borden possesses for the premiership of Canada, but while his political friends, who up till a week or two ago, were somewhat dubious on the point, are busy revising their estimates of his fitness for the position, the Free Press would humbly venture to submit that there is at least one thing to be urged in his favor. The premier plays golf.

The importance of this qualification is not to be lightly estimated by either Grit or Tory, for if modern political history in the mother country means anything, no man can aspire to a high place in the service of the state nowadays who does not know the meaning of a nine hole.

Premier Asquith, Lloyd George, A. J. Balfour and a host of other political luminaries of cabinet stature are enthusiastic votaries of the ancient and honorable game, and surely it is something for our country friends to be able to claim that their leader is of that class.

But while glad to see Mr. Borden in the mother country means anything, no man can aspire to a high place in the service of the state nowadays who does not know the meaning of a nine hole.
