Council Decides Work on Carleton City Hall to Start at Once

The contract for the first stage of construction work on City Hall, in Carleton, will probably be signed today or tomorrow, the City Council having yesterday adopted the recommendation of the committee of the whole for the expenditure of \$17,583 for this purpose.

DETAILS OF WORK

The work will include closing in the building, putting on a new roof, a brick wall through the centre of the building and placing the joists. The expenditure will be met from the \$20,000 of insurance money which is available.
