ary body. Russia needs peace and order order to make way for the and the confidence of the men who earnestly desire to heal the wounds and enter upon a period of economic, moral and intellectual welfare. Instead of this the revolutionists, under the figures the visits of the correspondpretence of patriotism, are serving the ents to the hospitals and cemeteries interests of the foreign enemies of their enable him to approximate the killed

the powder magazine of Europe. It is known that Witte personally is favorable to the Jews and their desires, as contained in the memorandum committee of prominent American Jews, but he strongly condemns the thus making it impossible for their they are defeated they will be more oppressed than before, whereas, if successful, the remainder of the popula-tion which is more anti-Semitic than in other countries will oblige them to flee the country. The Jews of Russia the police spread the report of the athad one proper course to pursue and tack, thus

the "black hundred. Count Witte explained that the conservatives were originally called the "black hundreds" in Russia. The troubles of the past week at Bialystok are the best illustration of the situation as they were caused by Jews killing Chief of Police Derkatchoff, who happened to be an exceptionally conservative official whose determination was to maintain order. Count Witte thinks under such conditions, the Jewish question in Russia cannot be settled to the satisfaction of the Jews.

The necessity of preventing inconsiderate action by revolutionists of all kinds is absolute. The government will not permit any consideration to interwith the measures it deems ne these days of heated discussions about open sympathy with the mob, utterly e possibility of the dissolution of powerless. parliament, those who oppose such Although it is freely charged that Canadian traffic. action and assert that it would be a the higher authorities of Bialystok decoup de etat forget that parliament is liberately organized the massacre or if not the only power in Russia. All the painting and fresco work was done by the Melrose Hicks, a lineman, who was killed in a Company, under the superintendence of similar way about two weeks ago. Paul Beygrau, and the workmen engaged carried out the artist's designs in an extremely successful manner.

Large audiences crowd the new place of amusement at every performance. The their efforts receive commendation and "Domastic Pets," the farcette that opens the bill, fully bears out the reputation of Eugene Ellsworth and Madge Burt, while the novelty equilibrists, Coyne and Tinare equally enjoyable.

ANOTHER REMAND. Hackmen Charged With Highway Robbery Allowed Out on Own Recognizance.

There was a large crowd in the lice court on Wednesday when the four hackmen, Messrs. Corbett, Lawson, Marden and Byer, over whom hangs the charge of highway robbery, were called. Frank Higgins and Wm. Moresby were present as counsel for the defence, and Chief Langley conducted the prosecution. The circumstances of this case have been so often explained in these columns that readers of the Times must be thoroughly conversant with them, and it is unne sary to again go into details. Briefly the quartette mentioned are accused of the theft of \$35 from J. Hewitt in a drunken brawl at a Chatham street house of ill-fame. The hearing was remanded from last week at the request of Chief Langley because of the inexplicable disappearance of the informant and the chief witness. Hewitt.

When Magistrate Hall took his place this morning it was expected that Hewitt would have been located by the police and put in the box to give evidence. Directly after the court was called to order, however, Chief Langley announced that the missing one A spanking breeze swept the harbor, had so far succeeded in escaping the causing the flags and bunting to flut- clutches of the stalwart guardians of ter in a lively fashion, and raising a the law.
