

**Fine Arts Course.**

During this year students of the Fine Arts Course will take at least nine recitations per week from the above Regular Course, including the English, together with nine lessons per week in Music, Painting and Drawing.

NOTES.—Students of the Regular Course will select one only of the four languages, Latin, Greek, French, German. They may select Chemistry or Astronomy, but are not required to take both; and may substitute Music or Painting or Drawing for Natural theology of the first half-year, and for the Language required in the second half-year.

**Honor Year.**

For this year the students may select eighteen recitations per week in work not before taken, from any of the Courses of the school, providing that one taking the Regular Course select at least ten recitations from Literary work, and a Fine Arts Student at least five from the Fine Arts.
