SHARP'S Family

NOTICE TO THE PUBLIC.
OF INTEREST TO ALL.
Sharp's Celebrated Family Medicines and Preparations.

SHARP'S COMPOUND ALKALINE INFUSION OF SARSAPARILLA.—Sarsaparilla has of late years been much used, and with great success, in cases of Chronic Rheumatism, as an alternative in Scrofulous affections, Scurvy, Obstinate, Cutaneous Eruptions, Indolent Ulcers, Diseases of the Periosteum and Bone, attended with obscure pains, wasting the flesh, tenderness of the part, tumors and nodes unconnected with Syphilis, and in that state of the habit known among medical men under the term of Cachexia, but which is not easy to define. In such cases Sarsaparilla proves a most valuable remedy, and often effects a cure when all other remedies have long been administered in vain, and when the diseased state of the system has been of many years duration.

This article, prepared by John G. Sharp, has performed numerous and most astonishing cures of persons who have for years been festered with sores from head to feet, and others who have been sent up with Mercurial Rheumatism, which they had been laid up with for 2 or 3 years. Prepared and sold by John G. Sharp, Member of the Pharmaceutical Society of Great Britain. N. B.—Dose, a Wine Glass full, three times daily.

Also, Sharp's Nutritive Cream, for the Hair.—This Cream possesses the properties of promoting and strengthening the growth of the Hair, giving it a glossy appearance, rendering the most infirmable Hair perfectly pliable, and keeping it in strong Curl during damp weather or violent exercise, and preventing an accumulation of Scurf upon the Head. LIFE BRANCH.

In addition to the more customary methods of Insurance, the Company likewise Assures Live on any of the following contingencies:—

The Guarantee of an ample Capital, and Exemption of the Assured from liability of Partnership.

Moderate Premiums.

Large Participation of Profits by the Assured, amounting to Two-thirds of its net amount, which may be applied at the option of the party effecting the Assurance:—1st. By the immediate payment of the sum so apportioned.—2nd. By an equivalent reduction of the future Premiums.—Or, 3rd. By an equivalent increase of the sum assured.

FOR THE CURE OF

CONSUMPTION.

CONSUMPTION

Can and has been cured in thousands of cases by this only certain remedy,

Judson's Chemical Extract of
CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and shattered, and the case to utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiar adopted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which excites so much difficulty, relieves the cough, and assists nature to expel from the system all deceased matter by expectoration, producing a delightful change in the breathing and chest, and thus after the prescriptions of the very best medical men, and the invention of kind and sorrowing friends and nurses have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE

patients have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood Coughs, pain in the side, night sweats, &c.

About 4000 certificates of almost miraculous cures performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like quackery, I will show them to any person, calling at our office.] This medicine will speak for itself, and enough in its own favour, wherever it is tried.

Caution—This medicine put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St., New York.

The changes of weather and season, with the change of use and feed, have a very great effect on the sanious fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, any which, if not attended to, will result in the Yellow Water, Mleaves, Worms, Botts, &c. all of which will be prevented by cure, when any symptoms of disease appears, or used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, en
