### News Summary

The steamer A. R. Thorp left Port Medway, March 20th, with 1175 tons of pulp for Grimsby.

The Newfoundland treaty, negotiated by Mr. Bond and Mr. Hay has been practically killed by the United States senate.

Two salmon, the first of the season, were sent to Boston from Port Medway on Tuesday last. The price paid at Port Medway was seventy-five cents per pound.

The Dominion liner Canada, sailed from Queens'own at 2 p. m. Sunday, for Halifax and Boston. She has 4 first class, 271 second, and 832 third class passengers, all to land at Halifax.

Sir Thomas Shaughnessy, London, President of the Canadian Pacific R. R., this evening confirmed the statement that the Beaver Line Steamers will run between London and Montreal.

Brig Energy, Capt. Furneaux, from St. John's Nfld., Feb. 19, which arrived at Malaga the other day, reports was damaged in a gale on Feb. 23, in lat 43, lon. 42, and was obliged to jettison some cargo.

It is learned on good authority at Ottawa, March 19, that the talks of negotiations between Messrs. MacKenzie & Mann and the Great Northern have been finally completed. MacKenzie and Mann have a controlling interest and the other directors of the road are to work in harmony with them.

The heaviest snow storm of the year began at St. Joseph, Mo., March 23 and railway traffic is greatly impeded. Telegraph and telephone wires are crippled to-night. The temperature has been falling slowly, and the snow covers the northern part of the state to a depth of from six inches to twelve inches.

Coal operators in Shamokin, Pa., at the informal meeting March 22 decided that the best plan in reference to paying the mine workers the back wages since Nov. 1, awarded by the strike commission, was to divide the amount into three parts and add each amount to the three ensuing regular pay days, the first of which will fall on March 30.

President Roosevelt is not turned from his purpose by the burst of southern indignation over his appointment of Dr. Crum to the collectorship of the port of Charleston. The senate has refused to confirm the appointment and that killed it. Thereupon the president reappointed Crum, and this new appointment awaits action when the senate again meets.

The members of the Montreal Stock Exchange, March 20th, voted to increase the membership of the Exchange from fifty-five to sixty seats. It was further agreed that the minimum price at which these seats are to be sold is \$25,000 each. This will put into the hands of the Exchange's treasurer not less than \$1,250,000. The highest price yet paid for a seat on the Exchange was \$27,500.

The International Syndicate, Washington, has renewed on a larger scale than on its first venture the offer to assume Venezuela's debts to the Powers on conditions. It is believed this proposition is attractive to both England and Germany. Mr. Bowen does not favor the idea. The success of the undertaking might mean the advancement to Venezuela's by the syndicate of probably more than \$50,000,000.

Amherst is making rapid strides: new streets are being opened, which will give most desirable building lots, property is constantly changing owners, and being improved, a greater water supply is to be provided and a constant influx of people moving into town. Money seems plentiful, judging by the prosperity of the place no one need be idle if inclined to work. Indeed the demand for help is greater than the supply.

Relieve those Inflamed Eyes!

### Pond's Extract

Reduced one-half with pure soft water, applied frequently with dropper or eye cup, the congestion will be removed and the pain and inflammation instantly relieved.

CAUTION: Avoid dangerous, irritating Witch Hazel preparations represented to be "the same as" Pond's Extract which contain "wood alcohol," a deadly poison.

## Fine Book Free

Here's a gift worth getting! A fine book—an interesting book—an instructive book—absolutely free of charge! It's a tremendously helpful book. Thousands of copies have been given away, regardless of expense, in an incredibly short time. Yet the demand increases every day! It was written by one of the foremost men of the age. His name will endure as scientist and scholar—after still, as one who loved his fellowmen. The work will carry a message of hope—of life even—wherever it goes. It describes with masterly skill the origin and danger of that prevalent, treacherous disease—Catarrh. It points out the way to a cure—easy and permanent. Its author is the greatest authority in the country on Catarrhal troubles.—Dr. Sproule, whose recent discovery of a new scientific cure for Catarrh is the most valuable medical gain of the age. He wants you to share its benefits. So he offers you his work that represents the study of years. To all who wish he will forward the book—absolutely free of charge.

### SEND FOR IT AT ONCE

Don't lose any time. The call for the book is enormous. If you're troubled with Catarrh you must have this book. It's no work at all to get it. Write your name and address plainly on the dotted lines, cut out and send to Health Specialist Sproule, 7 to 13 Doane St., Boston. You will receive the book free.
