Cricket Match Ended In Draw

Philadelphia, Sept. 7.—The two day cricket match between the incongruous team of England, and the Morion Cricket Club ended today at Harford in a draw. The local eleven scored 152 runs in their first innings. The visitors declared their first innings closed when they had accumulated 217 runs for a total of six wickets. Morion had scored 93 runs for five wickets when Stumps were drawn for the second innings.

CARL MAYS NOT AT CLEVELAND

New York Management Keeps "Spiballer" from Home of Ray Chapman.

New York, Sept. 7.—Carl Mays, New York American League pitcher, who threw the ball which resulted in the death of Ray Chapman, did not accompany the Yanks when they left New York tonight on their western trip. Col. T. L. Huston, one of the club owners, announced that Mays would not be with the team during the series which opens in Cleveland Thursday, but that he would rejoin the club in Detroit.

"We are not taking Mays to Cleveland," said Colonel Huston, "not because we think there is danger of any trouble, but out of respect to the folks of the people there. We don't want to offend them. It is largely a matter of sentiment."

CANADIAN CHAMP WAS ELIMINATED

Roslyn, N. Y., Sept. 7.—C. P. Grier, Montreal, Canadian amateur champion, was eliminated from the race for the United States amateur golf championship in the play at the Engineers' Country Club course here today. He was defeated by Robert A. Gardner, Chicago, nine and seven. Grier's battle was almost hopeless after the first 15 holes, for in that time he had lost four holes in five successive strokes. Gardner went out in 35 in the afternoon round, then took three, one a birdie, before the match ended. He told Grier that this afternoon's stretch represented the best golf he had ever played.

Scotland won. Thomas A. Armour, Scotland, who holds the amateur championship of France, won on the home green from George Hoffman, Philadelphia. Hoffman, starting his second round three down to Armour, made a sensational fight, with four birdies in five successive holes, but failed to square the match on the home green, through a hoodoo, which he says has followed throughout the tournament. He needed a par four to tie the match, but took his usual five.

S. David Herron, Pittsburgh, titleholder, defeated Peter Harmon, New York, after an uphill battle that went to the thirty-ninth hole.

Francis Oulmet, former open and amateur champion; Bobby Jones, Atlanta, Ga., the youthful prodigy; J. V. Sweetzer, Yale, inter-collegiate champion, and P. J. Wright, Jr., the young Massachusetts champion, also won their matches.

Chick Evans and Fred Wright raised the hopes of their many followers by excellent cards that broke records. Evans' card of seventy-two was the best that has ever been turned in in inter competition on the English course and has been equaled on the club's professional.

Wright went out in his afternoon round in 34, a record which was equaled by Oulmet last week, in four ball competition with the team representing Canada.

The winners are paired for the second round tomorrow.

LORD MAYOR OF CORK RESTLESS AND FEVERISH

Lloyd George's Suggestion for Release of Mr. MacSwiney Not Regarded Favorably in London.

London, Sept. 7.—(By the Associated Press.)—Lord Mayor MacSwiney, of Cork, passed a rather restless and feverish evening in Brixton jail, but otherwise, his condition, due to his prolonged hunger strike, was unchanged.

Premier Lloyd George's suggestion for the release of Mr. MacSwiney either by hunger strikers, conditional on a guarantee of the cessation of murders of policemen in Ireland, seems not to be regarded either here or in Dublin as providing any practical issue for the breaking of the deadlock between the Government and the dissident Irishmen, although the belief prevails in some quarters that it may be accepted as an indication of slight yielding on the part of the Premier from his previous unshakable attitude.

Dublin, Sept. 7.—Sir Walter R. Nugent is reported to have resigned from the magistracy and also to have given up his post as Deputy Lieutenant of West Meath County, because he considered the government's policy in Ireland intolerable.

While both leaders were resting, the Brooklynns won two games from Philadelphia, and the New York Americans' victory over the Athletics put them in second place, a full game ahead of Chicago, which lost to Detroit. The New York Giants also had a day of rest, when rain prevented the playing of a double header with Boston. The Giants are two-and-a-half games behind Cincinnati.

THE TWELFTH ANNUAL DOG SHOW BEST IN CLUB'S HISTORY

The New Brunswick Kennel Club Has 240 High Bred Dogs on Exhibition in Armory — Judge Speaks Highly of Classes—Pointers Among Best He Ever Judged.

The twelfth annual Dog Show of the N. B. Kennel Club opened yesterday at the Armory on the Exhibition grounds. There are about 240 dogs on hand, which is a record number, while, if quality is considered, no previous show equals the present one.

The judging began in the evening, and it drew a large gallery of interested spectators.

Charles H. Hopton, of New York City, one of the best known authorities on dogs on the continent, is the judge. He speaks enthusiastically of the show so far. "You can quote me," he told The Standard, "as saying that the pointers' puppies class at the show is the best class that I have ever seen this year. Britannia's Pride, winners English setters bitch, is undoubtedly one of the best English setters in the country and could hold her own in any New York show, while the foxhounds winner is equal to anything on this continent."

The judging of the pointers and setters occupied the larger part of the evening, as the classes were large and of the quality. In the English bloodhounds class, Wallace M. Sheehan, of Dalhousie, a well-known breeder of this class of dogs, took all the honors.

Four Favorites Were Defeated

One of Them for First Time in Grand Circuit This Season.

Hartford, Conn., Sept. 7.—Three of the four favorites on today's Grand Circuit card at Charter Oak Park were defeated, one of them for the first time this season and Tommie Murphy furnished two of the upsets.

In the 2:06 trot, Tootsie Toise, unbeaten on big line tracks, was forced to accept third money, being topped in the summary by Dr. Nick, the winner, and Selka, Dr. Nick's great speed on the way home brought him from the rear as the half mile post was passed to the front at the wire in each heat.

Red Russell took his second race of the season in the 2:10 trot, defeating the favorite, Lady Wilgo twice in the stretch.

Favonia and Bogalusa, hither up in three thrilling heats, the latter taking the first but losing the next two to Edman's Mount. The third heat was particularly close, the fans being divided as to the winners, with many thought it a dead heat. The race recalled the Great St. Frisco-Mabel track battle in 1916. The only favorite to come through was Margaret Dillon, undefeated pacer of the season and she won only after a three heat battle with Esther R. and Peter Elliott.

Munroe Won in First.

Munroe's Mount took the first heat by a head from Esther R. and broke in the stretch in the second, Peter Elliott winning a close finish from Murphy's pacer. In the third heat, Munroe took Margaret Dillon to the front and held a comfortable lead all the way around.

Because of the heavy rain of last night, the track was in poor condition at starting time and the majority of the drivers did not want to race. The events were started at four o'clock and sensational time was made, especially in the second heat of the colic race, which was won by Favonia in 2:11½.

SUGGEST PLANS FOR THE WELFARE OF PRISONERS

Penological Committee of Social Service League Believe Time Ripe for Fundamental Changes.

Toronto, Sept. 7.—Some measure of public management in the conduct of Federal penitentiaries through the medium of advisory or visiting committees was one of the chief recommendations made at a meeting of the Dominion Penological Committee of the Social Service Council of Canada held today at the offices in Confederation life building. The committee had under consideration a report of a visit made to Kingston penitentiary by one of its members, John Kidman, who had been permitted to go over the institution both as a newspaperman and as honorary secretary of the Canadian Prisoners' Welfare Association, Montreal. In general the report showed that, while it was admitted there had been irregularities in the administration and that conditions in the hospital had not been satisfactory up to a recent date, new appointments had resulted in important improvements.

Make Lot More Tolerable

Having received an adopted the report, the committee placed on record its appreciation of the steps which have recently been taken to improve the administration of the institution, to render more tolerable the lot of the inmates, particularly in regard to the sick.

"At the same time," the committee added, "the time is ripe for certain fundamental changes in the penitentiary system. The government should place sufficient money in its estimates for the provision of new buildings, or for the obliteration of existing buildings, so that a system of segregation as between old and new offenders may be introduced."
