The Rainbow. the rainbow in silence comes, While clearer it grows in form,
Like a girdle of beauty by angles were
From the granduer of the storm

Like a glittering zone it encircles earth,
While the troubled sky grows still;
As the booming note of the thunderbolt\_
Dies along the distant hill.

I love to gaze on the rainbow's form As it spans the summer sky;
And I weep to see it fade, and leave
But a blank of blue on high.

As it wakens thoughts of those whose forms Were as levely and as gay; Who faded like rainbows of From a bright and summer day.

They passed away to the spirit-land,
Where the ages smoothly roll,
Where the smiling countenance of God
Is the rainbow of the soul.

DR. GREEN'S Vegetable Tolu Syrup.

THIS OLD, time tried, standard reme dy still maintains its popularity. When all others had proved inefficient, the Syrup alone continues to give satisfaction.

USE IT FOR COUGHS, COLDS, CATHARRH, ASTHMA.

INCIPIENT CONSUMPTION, and all diseases of the THROAT, CHEST, AND LUNGS.

TWENTY YEARS AGO this Syrup The first made its appearance; and even then in its primitive and imperfect state produced such extraordinary results that it became, at once, a general favorite. Many have made it, what it really is,

A FAMILY MEDICINE. For as more than half the diseases "to which flesh is heir" originates from colds, so this may be considered a general preventive of all diseases, by removing the primeval

Dr. Ward's DEAD SHOT WORM CANDY.

(CERTIFICATE.) Abany Medical College,
December 15, 1862.

I do hereby certify that I have analyzed Dr. Ward's
Dead Shot Worm Candy, and to the public I would
say that they contain nothing that is in the least injurious to the youngest infant. They are entirely
vegetable, and possess those truly anthelmintic qualities which above all others are preterable as exterminators of the common or Tape Worm.

J.V.P.QUARKEBBUSH,
Prof. of Obstetuce and diseases of
Women and Children.

This Medicine has been prepared by the proprietors for a number of years; has been used with the most decided success in numused with the most decided success in numerous families of the first respectability, and has received the approval and recommendation of several eminent medical gentlemen. The most alarming symptoms of the disease arising from the prevalence of worms in the intestines have been speedily and entirely removed by the use of the VEGETABLE WORM CANDY WORM CANDY.

Dreadful indeed are the effects of these pernicious vermin on the constitution, destroying the appetite, vitiating the nourishing principles, and their certain consequences are paleness, emaciation, a stoppage of the growth, etc., and often followed by consumption and decline. Even where werms are not discharged, this medicine acts as a gentle and safe domestic physic—clearing the passages of whatever is noxious, introducing a healthy chyle into the constitution.

This is a purely vegetable preparation and contains nothing that is injurious to the smallest infant, and children will eat them as quickly as common candy. Price 25 cents,
