"MUTUALIZATION"

A long word, and significant. One of the largest life companies in the world, having a business of \$2,500,000,000, is being changed from a stock to a MUTUAL basis.

One more argument, if one were needed, in favor of the MUTUAL system. So much desired is the change in the above instance that the policyholders are paying the stockholders \$910 for each \$100 share.

The Mutual of Canada has been conducted on a MUTUAL basis from its inception in 1869. It is the only Canadian Company established on this ideal system. A company of policyholders, conducted by policyholders, for policyholders.
