ASQUITH HOT IN CRITICISM OF PRESENT IRISH CONTROL

British Rule Now More Reactionary Than Within Living Memory.

London Cable—Former Premier Asquith, who was recently re-elected to the House of Commons for Paisley, spoke scathingly last night of Irish conditions before the "Eighty Club," of which he was re-elected president. Never in the memory of the oldest club members, he said, had the methods of Government in Ireland been so reactionary, or denial of the elementary principles of civil and political liberties been so complete, so defiant, so insolent, as to-day. He charged that a very large proportion of the crime in Ireland was due to the senseless policy of the present Government.

While he and the Liberal Party were pledged not to apply coercion to Ulster, they were equally pledged to the Home Rule Act now on the statute books, and he would think himself worse than a traitor if he asked the Irish people to accept any form of self-government less than was contained in that act.

The great obstacle to frank and friendly co-operation between Great Britain and the United States, he asserted, was Britain's failure to apply to Ireland the principles they had both agreed at the Peace Conference were the governing principles of civilization.

Referring to Turkey, the former Premier declared that the massacre in Cilicia ought to be the last chapter of Ottoman rule.

SEES AMERICA FOR ULSTER.

Belfast Cable.—Sir Edward Carson, the Ulster Unionist leader, in an address to the Ulster delegation, which has just returned from a visit to Canada and the United States, said he had been kept informed of the movements of the mission throughout,

and had come to the conclusion that the whole of America, "barring the hyphenated Irish, who are in conspiracy with the hyphenated Germans," was on their side.

Cause of Asthma. No one can say with certainty exactly what causes the establishing of asthmatic conditions. Dust from the street, from flowers, from grain and various other irritants may set up a trouble impossible to eradicate except through a sure preparation such as Dr. J. D. Kellogg's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has freed a generation of asthmatic victims from this scourge of the bronchial tubes. It is sold everywhere.

BRITAIN WAITS ON FRANCE, ITALY

London Cable.—The continued postponement of the Allies' decision with regard to Constantinople is attributed in Peace Conference circles here to the hesitation of France and Italy, neither of which countries, it is asserted, has definitely answered Great Britain's invitation to co-operate in occupying the city.

Italy is credited with maintaining a reluctance to participate in any drastic action, and to be receiving the support of a section of the French politicians, notably, M. Barthou, former Foreign Minister.

Worms sap the strength and undermine the vitality of children. Strengthen them by using Mother Graves' Worm Exterminator to drive out the parasites.

NEW SCHEME TO FINANCE HUNS

Berlin Cable.—A proposition which is advocated in the German financial press as an alternative scheme to an Allied loan is outlined by the correspondent of the London Times as follows:

Leading groups of industry, agriculture, banking and trade, with the assistance of the Reichsbank, to form a credit union—the Allgemeine Credit Gemeinschaft—this credit union to raise credits by fixed interest—six to eight per cent. bonds for a long term, guaranteed by the industries concerned.

The bonds, it is hoped, might be taken up by American banks and the capital or industries thereby secured.

A Witness Testifies SHE WAS WEAK AND NERVOUS

Brimpton, Ont.—"About five years ago I began suffering with woman's trouble. I became all run-down and nervous, and was so completely down and out that I could not do anything, could scarcely dress myself. I had the doctor and took other medicine but without getting better until I began taking Dr. Pierce's Favorite Prescription and his Golden Medical Discovery. It was only necessary for me to take about three bottles when I was completely restored to health and strength and I have been in better health than I ever was before. I have had no use for medicine since, but should I need it I would take these same remedies, knowing them to be excellent."—MRS. HARRY KNIGHT, Jessie St.

OWES HER LIFE Ft. Saskatchewan, Alta.—"It is with great pleasure that I write the following and I hope it will help the many sufferers who do not know the good Dr. Pierce's medicines would do them if they would try them.

"In regard to my condition, I will say that I suffered from childhood from a very weak back; I had the misfortune of having spinal meningitis when I was one year old and until I was 13 I did not see a well day, but a very kind lady told my mother about Dr. Pierce's Favorite Prescription and she got a bottle to try it. It did me so much good that mother got me 6 bottles. Recently I happened with a car accident and hurt my back badly. My doctor gave me up and said I would not live, but I still stuck to Dr. Pierce's Favorite Prescription and to my surprise in three weeks I was out of bed and better. I owe my life to it and nothing else, and shall never be without it.

"If any sufferer wishes to write I will answer with pleasure."—MRS. NOEL BARTHELOMEW.

Hard and soft corns both yield to Holloway's Corn Cure, which is entirely safe to use, and certain and satisfactory in its actions.

Controlling Airships.

For some time experiments have been carried out in various countries with the object of controlling aircraft from the ground, and a French machine succeeded recently—on a prescribed course with certain specified detours—in covering a distance of 180 kilometers (about 110 miles), and in landing when required, at a certain airbase. A similar machine has been developed in the United States which, according to a recent statement of Secretary of War Baker, can travel without a pilot some 100 miles and land close to a designated post.

These Pills Cure Rheumatism.—To the many who suffer from rheumatism a trial of Parmelee's Vegetable Pills is recommended. They have pronounced action upon the liver and kidneys and by regulating the action of these organs act as an alternative in preventing the admixture of uric acid and blood that causes this painful disorder. They must be taken according to directions and used steadily and they will speedily give evidence of their beneficial effects.

Get the Best.

No artisan tackles his job without proper tools. The average housewife is afraid to spend money on the most useful tools, preferring to spend her health and temper. A comparatively small sum will buy patent bucket and mop, a polish mop, carpet sweeper, vacuum washer and light portable steps. Kneeling on camp floors, lifting heavy wash tubs and straining to reach high shelves mean huge doctor's bills and much suffering.

Aluminum pans and earthenware caseroles make less work and easier and better cooking. Dainty china is often more interesting to look at and easier to clean than silver.

Make your kitchen attractive. You will enjoy washing pretty cookery—platin, dull pot are not inspiring.

Miller's Worm Powders act so thoroughly that stomachic and intestinal worms are literally ground up and pass from the child without being noticed and without inconvenience to the sufferer. They are painless and perfect in action, and at all times will be found a healthy medicine, strengthening the infantile stomach and maintaining it in vigorous operation, so that, besides being an effective vermifuge, they are tonical and health-giving in their effects.

A FINAL ARGUMENT.

She (to dentist lower)—"Mother will not believe that I come here about my teeth so often."

He—"I will send her a bill to-morrow."

NOT SO SHOCKING NOW.

Edith—ever dream of appearing in public in your night dress? Isn't it awful! Maud—it used to be before our ordinary clothes got so shabby.

A Power of Its Own.—Dr. Thomas' Electric Oil has a subtle power of its own that other oils cannot pretend to, though there are many pretenders. All who have used it know this and keep it by them as the most valuable liniment available. Its uses are innumerable and for many years it has been prized as the leading liniment for man and beast.

Elections in Union of South Africa To-day May Settle Big Problem.

London Cable.—(By the Associated Press)—Parliamentary elections, held to-day in the Union of South Africa, will, it is believed, decide the fate of the Government held by Jan Christian Smuts, which is contending against strong Dutch Nationalist elements, aided by the Labor party. The result may decide whether Cape Colony, the Transvaal, Orange Free State and Natal are to continue British, or are to form a South African Dutch Republic, under its own flag, and with an elected President.

Anti-imperial forces have recently been strengthened by being joined by many who were influenced by charges that Yorkshire spinners have been profiteering at the expense of South African wool growers. The high cost of living has also been made a campaign issue, and the racial longing of a section of the Boers to be rid of British domination has been brought to the front by politicians.

Separation, it is believed, would meet with strong opposition from the British Government. Nationalist sentiment is said to be so intense that in some instances families have been divided over this issue, which is a survival of the old struggle which has been going on between the Dutch and the British since the Netherlands ceded Cape Colony to Great Britain in 1814. Present conditions are viewed with concern, because of the attitude of the Labor party, this being the first time the anti-British Boers have been joined by an part of the British population.

She Tells Just Why They Are So Popular

MRS. OAKES SPEAKS IN PRAISE OF DODD'S KIDNEY PILLS

She had severe backache before using Dodd's Kidney Pills but now she says she is quite well again.

Hastings, Ont., March 15th. (Special)—Among the women in this section who are shouting the praises of Dodd's Kidney Pills is Mrs. John Oakes, one of our highly respected residents. Nor does Mrs. Oakes fail to give the reason.

"Before using Dodd's Kidney Pills," she states, "I suffered with severe backaches. Now I am quite well again."

"I am highly pleased with Dodd's Kidney Pills. They have given me the best of satisfaction."

In those last two sentences Mrs. Oakes gives the reason why Dodd's Kidney Pills are so universally popular with the women of Canada. They give satisfaction. Women in all parts of Canada are every day stating that they suffered from kidney ills and found relief in Dodd's Kidney Pills.

If you haven't used Dodd's Kidney Pills ask your neighbors about them. They have been in use in Canada for more than a quarter of a century and have earned a place in the family medicine chest almost everywhere.

During the influenza epidemic the spectators at one of the leading picture houses were sprayed at each performance.
