KICKING THE BUCKET .- The tradition among the slang fraternity as to the origin of this phrase is that one "Bolsover" having hung himself to a beam, while standing on the bottom of a pail or bucket, kicked the vessel away in order to pry into futurity. There are many around us who will "kick the bucket" from dyspepsia, liver complaints and derangements of the stomach, if they persist in neglect and thoughtlessness, in not providing a safe remedy. Baxter's Mandrake Bitters never fail to cure these ailments, and restore to health and strength those who otherwise would have "kicked the bucket." Sold by all Druggists at 25c per bottle.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair

The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as at article for the toilet it is economical and unsurpassed in its excellence.
