A ROSE
With a Worm at its Heart
WITHERS SOON
And its Beauty Quickly Fades!
THE HEALTHY FLOWER
Is a Thing of Beauty, and a Joy Forever.

The same is true of women. The germs of disease make young women and girls tired, pale, listless, fretful, despondent and old before their time; cause wrinkles, blotches and boils; cause rheumatism, neuralgia, sciatica and other complaints, and hurry millions to untimely graves.

Dr. Arnold's English Toxin Pills

The far-famed Germ-Killing Remedy, destroy utterly all germs of disease, and sweep them and the deadly poisons (toxins) they create out of the blood. Health, ruddy and robust, must follow.

We make this broad claim for Dr. Arnold's English Toxin Pills: **They are the best medicine ever made for women. They unfaillingly cure, even where others have failed.** A trial will convince you that this is right.

Ask Mrs. Jas. Ketcheson, of Belleville, about it. She will tell you this: "I have been cured of swelling of the hands and feet by Dr. Arnold's English Toxin Pills. Since using them the dizzy spells and faintness that often came over me have gone entirely. I have no distressing headaches with black spots before my eyes, and have got my appetite back."
