### Never Before Such an Instantaneous and Sensational Success

Never before has an automobile success been so rapid, so definite and so sweeping.

The \$850 Overland has made history. It marks the entrance of a new automobile value—a car complete in every respect at a price which was hitherto thought impossible.

Yet here it is—a powerful five passenger touring car complete for only \$850.

It is large enough for the whole family—moderately priced, within the reach of the majority—economical to maintain—built of the best quality materials—snappy, stylish and speedy—and complete in every sense.

In short, it is just another striking example of what our large production enables us to do. It comes complete—only \$850!
