the S.C.R. last week, it was carried on an 11-9 vote that \$1.00 per couple admission be charged to the Con.

The motion was made after much haggling had taken place as to how the S. R. C. could erase the \$200 deficit plus reinstate athletic and non-athletic awards.

A recommendation made by the Finance Committee listed several suggestions for cuts, which mainly involved the Brunswickan, Hockey, and Ladies' Basketball.

The Brunswickan conceded one issue, and cut two eight-page issues to six pages.

Foam rubber pads were deleted from the hockey budget, but skate sharpening mentioned in the committee's report remained uncut.

A dead-lock seemed to have reached due to the fact that previous M.I.A.U. committments prevented cutting Varsity games. Various members voiced opinions on the inadvisability of making these committments for the future before the budget came up for discussion.

In order to secure funds for the awards previously tabled, the mo-In order to secure funds for the tion (Drummie - MacNamara) to charge admission to the Con was passed.

This charge, coupled with the gie Jean Residence with a buffet dollar increase in the price of supper. Afterwards coffee and spring levy.

INSPECTOR WELL RECEIVED

The U.N.B. Drama Society climaxed an active year with the successful production of "An Inspector Calls" at Teachers' College last Thursday, Friday and Saturday. The play was both an artistic and financial success, and each night the large audiences obviously enjoyed the production. The cast and the many people who tirelessly worked on scenery, publicity, props, ticket-selling, make-up, lighting and ushering should all be congratulated for the effort and teamwork which is necessary for such a successful production as was viewed last week.

The added details of invited guests in formal garb, the "first night" atmosphere, with flowers presented to the ladies of the cast, and the reception Saturday night at the home of Dr. and Mrs. Trueman added a note of distinction to the whole affair. A great

The new cadets as well as the rest of the division are now making preparations for a week-end training visit to Halifax, late in February or early March.

Interest at the moment hinges around the actions of Cadet Costar and his mess committee FORMAL HAS who have just completed arrangements for a formal dance. Plans call for the dance to be held in the newly organized Navy Club quarters on Friday, Feb. 8th. The mess committee has also completed arrangements for a mess dinner to be held the following
